

High School Students: Get Started on a Library Career!

As an intern in our Multicultural Internship Program, you'll:

- Receive innovative training
- Assist with community and outreach events geared towards new Americans and Brooklynites of all backgrounds
- Travel to special libraries and cultural centers

If accepted, you will attend a series of workshops beginning in November. You will then be interning at one of our 60 libraries from January through June.

You will receive a stipend, and your participation will count toward community service hours for school.
