The distinguishing features of NLG-Museums projects are broad impact, innovation, and collaboration. Exemplary projects:

- address a current need of the museum field
- advance practice in the museum profession
- demonstrate the potential for far-reaching impact
- strengthen museum services to benefit the audiences and communities being served
- reflect awareness and support of current strategic initiatives and agendas in the field
- align with the goals of the project category under which it was submitted:
 - Advancing Digital Assets and Capacity
 - Diversity and Inclusion
 - Collections Care and Access
 - Professional Development
- align with the goals of the funding category: non-research, research, rapid prototyping

Is the project poised for successful implementation?

- Demonstrates thorough understanding of relevant issues and current practices
- Addresses an assessed need
- Allocates resources for the successful completion of the project
- Connects goals and objectives to appropriate activities and intended outcomes

If funded, will the project achieve its intended results?

- Tracks, measures, and adapts in order to achieve desired outcomes
- Generates continuing benefits for the museum field
