SPR Goals & Grants Management System Update
SPR Update

- Transitioning to a new SPR vendor
- Support from our Office of Digital and Information Strategy (ODIS)
- Help us prioritize SPR issues:
  - Vote with sticky dots
  - Continue to email us throughout the year
SPR Housekeeping: State Goals

- Overarching principles:
  - Preserve existing goals in the system for 2017 and earlier projects, but designate them “inactive”
  - Add new “active” goals in the system for 2018-2022, even if they duplicate earlier goals
  - Only goals designated as “active” will be available in the drop-down menu during project creation

Step 2: Add New Goals (2018-2022)

- SPR > Account Management > State Goals
  - Click “Add State Goal”
  - Enter “Name” of goal (can be abbreviated) and “Description” (can be full text of goal)
  - Type in the fiscal year date range “2018-2022”
  - Click “Save”
Next Steps

- IMLS will send an email to prompt all states to edit goals in the SPR, following these directions.
- After the due date for goal edits, your Program Officer will follow up in case of questions.
- REMEMBER: all 2018-2022 goals must be added to the system, even if the language is identical.
