### Native American Library Services Basic Grants – FY15 Notice of Funding Opportunity

Federal Awarding Agency:	Institute of Museum and Library Services
Funding Opportunity Title:	Native American Library Services Basic Grants Program
Announcement Type:	Notice of Funding Opportunity
Funding Opportunity Number:	NAG-BASIC-FY15
Catalog of Federal Financial Assistance (CFDA) Number:	45.311
Proposal Due Date:	Submit through Grants.gov by 11:59 p.m. U.S. Eastern Time on April 1, 2015
Anticipated Date of Notification of Award Decisions:	September 2015 (subject to the availability of funds and IMLS discretion)
Beginning Date of Period of Performance:	Not earlier than October 1, 2015

#### Equal Opportunity

IMLS-funded programs do not discriminate on the basis of race, color, national origin, sex, disability, or age. For further information, write to the Civil Rights Officer, Institute of Museum and Library Services, 1800 M Street, NW, 9th Floor, Washington, DC 20036-5802.

#### A. Program Description

##### What is the Native American Library Services Basic Grants Program?

The Native American Library Services Basic Grant is noncompetitive and distributed in equal amounts among eligible applicants. Basic Grants are available to support existing library operations and to maintain core library services. The Education/Assessment Option is supplemental to the Basic Grants. It is also noncompetitive and must be requested. The purpose of the Education/Assessment Option is to provide funding for library staff to attend continuing education courses

#### Contents

- A. [Program Description](#)
- B. [Federal Award Information](#)
- C. [Eligibility Information](#)
- D. [Application and Submission Information](#)
- E. [Application Review Process](#)
- F. [Award Administration Information](#)
- G. [Contacts](#)
- H. [Other Information](#)

and training workshops on- or off-site, for library staff to attend or give presentations at conferences related to library services, and/or to hire a consultant for an on-site professional library assessment.

For FY2015, Basic grants are only available for a one year period. Three year continuation grants are no longer offered. If you received a continuation grant in FY13 or FY14, those grants will continue to their expiration, subject to the availability of funds and the terms and conditions of those grants.

#### What are the funding categories?

The estimated Basic Grant award for FY 2015 is \$6,000. The estimated Basic Grant with Education/Assessment Option award amount is \$7,000, which includes the \$6,000 Basic Grant and the supplemental amount of \$1,000 for eligible education and assessment activities.

#### What is the supplemental Education/Assessment Option?

The supplemental Education/Assessment Option is also non-competitive and must be requested. The purposes of the Education/Assessment Option are to provide funding for library staff to attend library-related continuing education courses and training workshops on- or offsite; for library staff to attend or give presentations at conferences related to library services; and to hire a consultant for an onsite professional library assessment.

#### What types of activities can be funded by this program?

Basic Grant funds may be used to support existing library operations and to maintain core library services, particularly as they relate to the following goals in the updated Museum and Library Services Act (20 U.S.C. §9141):

- (1) Expanding services for learning and access to information and educational resources in a variety of formats, in all types of libraries, for individuals of all ages in order to support such individuals' needs for education, lifelong learning, workforce development, and digital literacy skills
- (2) Establishing or enhancing electronic and other linkages and improved coordination among and between libraries and entities, as described in 20 U.S.C. §9134(b)(6), for the purpose of improving the quality of and access to library and information services
- (3) (A) Providing training and professional development, including continuing education, to enhance the skills of the current library workforce and leadership, and advance the delivery of library and information services  
(B) Enhancing efforts to recruit future professionals to the field of library and information services
- (4) Developing public and private partnerships with other agencies and community-based organizations
- (5) Targeting library services to individuals of diverse geographic, cultural, and socioeconomic backgrounds, to individuals with disabilities, and to individuals with limited functional literacy or information skills
- (6) Targeting library and information services to persons having difficulty using a library and to underserved urban and rural communities, including children (from birth through age 17) from families with incomes below the poverty line (as defined by the Office of Management and Budget and revised annually in accordance with section 9902(2) of title 42) applicable to a family of the size involved
- (7) Developing library services that provide all users access to information through local, State, regional, national, and international collaborations and networks
- (8) Carrying out other activities consistent with the purposes of the Library Services and Technology subchapter of the IMLS statute (20 U.S.C. §9121).

#### Where can I find the Authorizing Statute and Regulations for this Funding Opportunity?

Statute: 20 U.S.C. 9101 et seq., in particular § 9161

Regulations: 2 CFR Part 3187 and applicable OMB requirements, including but not limited to 2 CFR Part 200.

PLEASE NOTE: The recent Office of Management and Budget (OMB) final guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Grant Reform) has streamlined and consolidated grant requirements. The Grant Reform can be found at 2 CFR Part 200. With certain IMLS-specific additions, IMLS regulations at 2 CFR Part 3187 formally adopt the 2 CFR Part 200 Grant Reform. The Grant Reform as adopted by IMLS at 2 CFR Part 3187 will be effective for all

awards made after December 26, 2014.

## B. Federal Award Information

Total amount of funding expected to be awarded	\$1,700,000
Anticipated number of awards	240
Range of awards	\$6,000-\$7,000
Average amount of funding per award	\$6,000
Type of assistance instrument	Grant
Anticipated start date	Projects must begin on 1 October 2015.
Anticipated period of performance	October 2015-November 2016. Project activities last just one year.

The funding in the above Federal Award Information is subject to the availability of funds and IMLS discretion.

## C. Eligibility Information

### What are the eligibility requirements for this program?

Indian tribes are eligible to apply for funding under the Native American Library Services Basic Grant program. Entities such as libraries, schools, tribal colleges, or departments of education are not eligible applicants, although they may be involved in the administration of this program and their staff may serve as project directors, in partnership with an eligible applicant.

For purposes of funding under this program, "Indian tribe" means any tribe, band, nation, or other organized group or community, including any Alaska native village, regional corporation, or village corporation (as defined in, or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. § 1601 et seq.)), which is recognized by the Secretary of the Interior as eligible for the special programs and services provided by the United States to Indians because of their status as Indians. A list of eligible entities is available from the Bureau of Indian Affairs.

### What are the minimum requirements of library service?

To be eligible for this program you must be able to document an existing library that meets, at a minimum, three basic criteria: (1) regularly scheduled hours, (2) staff, and (3) materials available for library users.

### What are the requirements for cost sharing?

There are no requirements for cost sharing in this program.

### How many applications may I submit?

If eligible, you may apply for one Basic Grant in a fiscal year. The same population cannot be served by more than one Basic Grant.

### What if I fail to meet the eligibility requirements?

An applicant's failure to meet eligibility requirement(s) will preclude IMLS from making an award.

## D. Application and Submission Information

How can I find the application package on Grants.gov?

Use one of the following identifiers to locate the Native American Library Services Basic Grant package in Grants.gov:

- CFDA No: 45.311, or
- Funding Opportunity Number: NAG-BASIC-FY15

[Click here to learn more about Grants.gov registration and Tips for Using Grants.gov.](#)

### Can I request an audio recording of this publication?

Teletype (TTY/TDD) (for persons with hearing difficulty): 202-653-4614  
Upon request, IMLS will provide an audio recording of this publication.

If needed because of difficulty using internet or for other accessibility reasons, potential applicants may also request paper copies of the materials. Use the [Native American Library Services Basic Grant Program web page](#) for IMLS contact information. We are available by phone and through e-mail to discuss general issues relating to Native American Library Services Basic Grant Program grants.

### How should the application components be formatted, named, and sequenced?

- Document format: Aside from the first document listed below, which is created in Grants.gov, all application components must be submitted as PDF documents.
- Page limits: Note page limits listed below. We will remove any pages above the limit, and we will not send them to reviewers as part of your application.
- Naming convention: Use the naming convention indicated below. IMPORTANT: You are limited to using the following characters in all attachment file names: A-Z, a-z, 0-9, underscore (\_), hyphen (-), space, period. If you use any other characters when naming your attachment files, your application will be rejected.
- Document order: In Grants.gov, append all application components in the sequence listed below. Use all available spaces in the "Mandatory Documents for Submission" box first. Append any remaining application components using the "Optional Documents for Submission" box.

Use the table below as a checklist to ensure that you have created and attached all necessary application components.

Any document you create must be converted to PDF format before submitting it. [Click here for assistance in converting documents to PDF.](#) Also, do not send secured or password-protected PDFs; we cannot process these files.

When entering the names of project staff into the SF-424S, note that the Authorized Representative cannot be the same person as the Project Director.

### Table of Complete Application Components

The Table of Application Components below will help you prepare a complete and eligible application. Links to more information and instructions for completing each application component are provided in the table. Applications missing any Required Documents or applicable Conditionally Required Documents from this list will be considered incomplete and will be rejected from further consideration.

Component	Format	File name to use
<a href="#">The Application for Federal Assistance/Short Organizational Form (SF-424S)</a>	Grants.gov form	n/a
<a href="#">IMLS Program Information Sheet</a>	IMLS PDF form	Programinfo.pdf
<a href="#">Part A - Project Budget for Basic Grant</a>	IMLS PDF form	Basicbudget.pdf

[How to Fill Out the SF-424S](#)

### IMLS Program Information Sheet

#### 1. Applicant Information

- a. Legal Name: Enter 5a from SF424S.
- b. Applicant D-U-N-S® Number: Enter 5f from SF424S.
- c. Current SAM.GOV registration: Check Yes or No and provide expiration date, if you check the Yes box. Please note that, before submitting an application, your organization must have a current SAM.gov registration.
- d. Organizational Unit: Do not complete.
- e. Organizational Unit Address: Be sure to include the four-digit extension on the ZIP code.
- f. Organization Governance: Select "Native American Tribe/Native Hawaiian Organization"

#### 2. Organizational Financial Information: Do not complete this section.

3. Grant Program or Grant Program Category: Select Basic Grant Only or Basic Grant with Education/Assessment Option under c. Native American/Native Hawaiian Library Services.

4. Check this box if your project addresses STEM learning. Do not complete this section.

#### 5. Funding Request Information

- a. IMLS Funds Requested: Enter the amount in dollars sought from IMLS.
- b. Cost Share Amount: No cost share is required in the Basic Grant program.

6. Project Subject Area: Check the boxes that reflect the subject areas addressed by your project.

7. Population Served: Check the boxes that reflect the population(s) served by your project.

8 & 9. Skip these sections, as they do not pertain to this program.

Download Program Information Sheet (minimum requirements Adobe Reader 7.0.5):  
[Adobe® PDF](#) (318 KB)

### Part A—Project Budget for Basic Grant

We anticipate that the IMLS Basic Grant award amount for FY 2015 will be \$6,000. Therefore, prepare a Basic Grant project budget based on an anticipated total award amount of \$6,000. Spending categories include 1) Library personnel; 2) Materials, supplies, and equipment; 3) Services; and 4) Other (to be described). No indirect costs are allowed. See the sample project budget at the bottom of the budget form for guidance.

Download Part A—Project Budget for Basic Grant

[Adobe® PDF](#) (75 KB)

[Microsoft® Word Document](#) (46 KB)

### Part B—Project Budget for Supplemental Education/Assessment Option

We anticipate that the Education/Assessment Option award amount for FY 2015 will be \$1,000. Therefore, if the Education/Assessment Option is requested, prepare an Education/Assessment Option project budget based on an anticipated total award amount of \$1,000 (in addition to the anticipated project budget of \$6,000 for the Basic Grant). Spending categories include 1) Library-related continuing education and training; 2) Travel to conferences, continuing education, and other library-related training, and costs to

cover temporary staff during the absence of regular staff; and 3) Services of a professional librarian or technology consultant to conduct an onsite library assessment. No indirect costs are allowed. See the sample project budget at the bottom of the budget form for guidance.

Download Part B—Project Budget for Education/Assessment Option

[Adobe® PDF](#) (73 KB)

[Microsoft® Word Document](#) (39 KB)

### Library Services Plan (1-3 pages)

Describe what library services and, if applicable, what education/assessment option activities you plan to support using IMLS funding during the project period of this grant award. See the sample plan for guidance.

Download Sample Plan

[Adobe® PDF](#) (223 KB)

### What Federal Laws Do I Agree to Comply With When I Submit My Application?

[Click here to read the IMLS Assurances and Certifications](#). Please note that IMLS is in the process of updating the Assurances and Certifications to reflect the Grant Reform. For reference, the existing Assurances and Certifications are linked here; when they are updated, they are anticipated to appear at the same link.

### What is a D-U-N-S® Number and how do I get one?

Before submitting an application, your organization must have a current and active D-U-N-S® Number, SAM.gov registration, and Grants.gov registration. Check your materials and registrations well in advance of the application deadline to ensure that they are accurate, current, and active.

[Click here to learn more about getting a D-U-N-S® Number](#).

### What is the System for Award Management (SAM.gov) and how do I register?

[Click here to learn more about SAM.gov Registration](#).

If your DUNS and SAM registrations are not active and current at the time of submission, your proposal will be rejected; if they are not active and current at the time of an award, your proposal cannot be funded.

### When are proposals due?

For the FY15 Native American Library Services Basic Grants Program, applicants must submit their applications through Grants.gov by 11:59 p.m. U.S. Eastern Time on April 1, 2015.

We strongly recommend that you REGISTER EARLY for DUNS and SAM and COMPLETE AND SUBMIT THE APPLICATION EARLY. We make grants only to eligible applicants that submit complete applications, including attachments, through Grants.gov, on or before the deadline.

[Contact the Grants.gov help line](#) (1-800-518-4726) for assistance with hardware and software issues, registration issues, and technical problems. The help line is available 24 hours a day, seven days a week, except for federal holidays, on which it is closed.

### What happens after I submit my application to Grants.gov?

Once Grants.gov has received your submission, Grants.gov will send email messages regarding the progress of your application through the system. Over the next two business days, you should receive two emails. The first will confirm receipt of your application by the Grants.gov system and the second will indicate that the application has either been successfully validated by the system prior to transmission to the grantor agency or has been rejected due to errors. Once your submission is retrieved by the grantor agency, you will receive a third email. You can check the status of your application(s) after submission in Grants.gov, by using the "Track My Application" feature. You may also check the status of a submission by logging into your Grants.gov account using the Applicant Login and clicking on the "Check Application Status" link.

### Are there funding restrictions?

You may only use IMLS funds for allowable costs as found in IMLS and government-wide cost-principle rules, including OMB circulars and regulations.

PLEASE NOTE: The recent Office of Management and Budget (OMB) final guidance on Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Grant Reform)

has streamlined and consolidated grant requirements. The Grant Reform can be found at 2 CFR Part 200. With certain IMLS-specific additions, IMLS regulations at 2 CFR Part 3187 formally adopt the 2 CFR Part 200 Grant Reform. The Grant Reform as adopted by IMLS at 2 CFR Part 3187 will be effective for all awards made after December 26, 2014.

### What are allowable and unallowable expenses?

Examples of allowable expenses for Basic Grants include the following:

- Library personnel:
  - salary and benefits for library staff
- Materials, supplies, and equipment:
  - books, journals, magazine subscriptions, electronic resources
  - library supplies
  - library automation software and related equipment
  - library furnishings
  - computers and software
- Services:
  - presenter fees related to public programs
  - after-school tutoring services
  - library-related consultants
  - technology consultants
  - digitization projects
- Other (for example):
  - Internet access charges
  - fees for participation in networks and consortia that provide the library with direct services
  - E-Rate consulting

Examples of allowable expenses for the Education/Assessment Option include the following:

- costs for library staff to attend library-related continuing education courses and training workshops on- or offsite, including registration fees, travel, hotel, and per diem
- costs for library staff to attend or give presentations at conferences related to library services, including registration fees, travel, hotel, and per diem
- costs to cover temporary staff when regular staff are attending courses, workshops, or conferences related to the Education/Assessment Option
- costs to hire a consultant for an onsite professional library assessment, including library technology assessments and digitization expertise

Examples of unallowable expenses for Basic Grants and the Education/Assessment Option funds include the following:

- contributions to endowments
- social activities; ceremonies; receptions; or entertainment, including food, gifts, and promotional items
- construction or renovation of facilities
- pre-award costs
- indirect costs

(Note: If you have questions about the allowability of specific activities, call IMLS staff for guidance.)

## E. Application Review Process

### What is the review and selection process?

Basic Grants are non-competitive grants available to eligible applicants to support existing library operations and to maintain core library services.

We make grants only to eligible applicants that submit complete applications, including attachments, through Grants.gov, on or before the deadline.

### When will awards be announced?

We will not release information about the status of an application until September 2015. Funded projects may not begin earlier than October 1, 2015.

## F. Award Administration Information

### How will I be notified about the results of the grant process?

Award notifications will be sent electronically. The award packet sent to the Authorized Representative/Authorizing Official will contain the following:

- appropriate cover letter(s)
- the official grant award notification
- the schedule of reporting dates and
- links to the applicable documents, including general terms and conditions, reporting forms, etc.

The Project Director will receive the following:

- copies of the cover letter(s)
- a copy of the official grant award notification
- the schedule of reporting dates and
- links to the applicable documents, including general terms and conditions, reporting forms, etc.

### What is the award period?

The grant award period will run from the first day of the month in which project activities are undertaken and will end on the last day of the month in which these activities are completed.

### What are the administrative and national policy requirements?

Organizations that receive IMLS grants or cooperative agreements are subject to the [IMLS General Terms and Conditions for IMLS Discretionary Awards](#) and the [IMLS Assurances and Certifications](#). Organizations that receive IMLS funding must be familiar with these requirements and comply with applicable law.

As an applicant for Federal funds, you must certify that you are responsible for complying with certain nondiscrimination, debarment and suspension, drug-free workplace, and lobbying laws. These are set out in more detail, along with other requirements, in the [Assurances and Certifications](#). By signing the application form, which includes the [Assurances and Certifications](#), you certify that you are in compliance with these requirements and that you will maintain records and submit any reports that are necessary to ensure compliance. Your failure to comply with these statutory and regulatory requirements may result in the suspension or termination of your grant and require you to return funds to the government.

Please note that IMLS is in the process of updating the [General Terms and Conditions](#) and the [Assurances and Certifications](#), to reflect the Grant Reform. For reference, the existing General Terms and Conditions and Assurances and Certifications are linked here; when they are updated, they are anticipated to appear at the same link.

### What are the reporting requirements?

Reports are due according to the reporting schedule that accompanies your award notification. Please note that grantees must submit performance reports in the format defined by the IMLS; final performance reports may be accessible on the IMLS website to support the agency's commitment to open government, to engage the public in communities of practice and to inform proposal development and grant making strategies.

For details and forms, please see: <http://www.ims.gov/recipients/administration.aspx>

### What do I need to know about acknowledgement of IMLS support, sharing IMLS-supported work products and copyright, data management and sharing?

[Read more about acknowledgement of IMLS support, sharing IMLS-supported work products and copyright, data management and sharing.](#)

## G. Contacts

### How can I contact program staff?

See the [Native American Library Services Basic Grants web page](#) for IMLS contact information. We are available by phone and through e-mail to discuss general issues relating to Native American Library Services Program grants.

### How can I participate in a webinar?

We invite you to participate in a pre-application web conference to learn more about the program, ask questions, and listen to the questions and comments of other participants. The date will be: Tuesday, February 17th, at 3 PM US EST. See the [Native American Library Services Basic Grants web page](#) for more information.

## H. Other Information

### What are the requirements regarding conflict of interest?

You must comply with IMLS' [conflict of interest requirements](#). These requirements include disclosing in writing to IMLS or pass-through entity any potential conflict of interest.

### How long should it take to complete this application?

We estimate the average amount of time needed for one applicant to complete the narrative portion of this application to be 30 hours. This includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and writing and reviewing the answers.

We estimate that, in addition to the time needed for you to answer the narrative questions, it will take you an average of 15 minutes per response for the IMLS Program Information Sheet and three hours per response for the IMLS Budget Form.

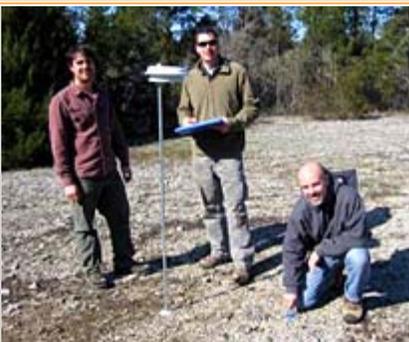

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Institute of Museum and Library Services at 1800 M Street, NW, 9th Floor, Washington, DC 20036-5802, and to the Office of Management and Budget, Paperwork Reduction Project (3137-0029), Washington, DC 20503.

Office of Management and Budget Clearance Numbers  
Guidelines: OMB No. 3137-0029; Expiration Date: September 30, 2015.  
Forms: OMB No. 3137-0071; Expiration Date: September 30, 2015.

### Freedom of Information Act (FOIA)

This guide answers the most frequently asked questions about the Freedom of Information Act (FOIA).

#### 1. What is the Freedom of Information Act (FOIA)?

[The Freedom of Information Act \(FOIA\), 5 U.S.C. Section 552](#) is a federal law established in 1966 to give private citizens greater access to government information. It requires that federal agencies disclose the fullest possible amount of information to the public, subject to certain exemptions.

[President's Memorandum](#) Federal Register Notice / Vol. 74, No. 15 / Monday, January 26, 2009 (PDF, 88KB)

[Attorney General's Memorandum](#) March 19, 2009 (PDF, 1.17MB)

#### 2. What is the Privacy Act?

[The Privacy Act of 1974, 5 U.S.C. Section 552a](#) is a companion to FOIA. It allows individuals access to federal agency records about themselves. It requires that personal information in agency files be accurate, complete, relevant, and timely. Additionally, each agency must publish a description of each system of records maintained by the agency that contain personal information.

#### 3. What type of information can I request?

FOIA requests may be used to obtain "agency records," which include a wide variety of documents and other materials (including print, photographic, and electronic formats) that were created or obtained by a Federal agency and are, at the time the FOIA request is filed, in the agency's possession and control. However, FOIA excludes certain categories of records from disclosure, including materials related to national security, internal agency rules, proprietary business information, inter- and intra-agency communications that are protected by legal privileges, and personal privacy.

#### 4. Can I access agency records without filing a FOIA request?

Yes. Many IMLS publications and much grant-related information are available to the public without the need to make a formal FOIA request. A great deal of this information, including publications, sample application narratives, reviewer handbooks, and grant recipients, is readily accessible on this website.

#### 5. How do I make a FOIA request?

You can fax, write, or e-mail:

Freedom of Information Act Officer  
Institute of Museum and Library Services  
1800 M Street NW, 9th Floor  
Washington, DC, 20036-5802

Facsimile: 202/653-4625

E-mail: [foia@imls.gov](mailto:foia@imls.gov)

You can also [submit your FOIA request online here](#).

It is important to include the following information in your request, so that we may answer your request in a timely manner:

- A statement that you are requesting information under the Freedom of Information Act (FOIA).
- A clear and specific description of the information you are requesting. If possible, identify dates, subjects, titles, or authors of the documents requested.
- An explanation of what the information will be used for (i.e. scholarly purpose, commercial use, personal use). This will help us determine what fees, if any, to charge you for the information.

- If you are requesting a waiver of fees, please state why you believe you are entitled to the waiver.
- Your contact information, including name, address, phone, fax, and email.

#### 6. What charges apply to process FOIA requests?

Information requests may result in costs to the agency, such as search, review, duplication, computer programming, delivery, and special handling. The costs will be relayed to the requestor, according to the following cases:

- Commercial use requestors must pay all associated costs.
- Those requesting information for media use, educational research, or private or non-profit receive 100 pages of duplication and two hours of search and review free of charge. The remaining costs, and fees associated with computer programming, special handling, and delivery must be paid.
- You may request a waiver of all fees if your request is "likely to contribute to public understanding of the operation or activities of government and is not primarily in the commercial interest of the requestor."

#### 7. How quickly will you respond to my request?

IMLS makes every effort to respond to your request as quickly as possible. The law requires that federal agencies respond to you within 20 days of the receipt of the request, excluding weekends and holidays. Especially complex or voluminous requests may need additional time. If your request cannot be answered within the twenty day period, you will be contacted to either narrow your request to allow for a timelier response, or to accept a delay in delivery.

[Track a FOIA request.](#) (DOCX, 14KB)

#### 8. May I appeal if my FOIA request is denied?

If your FOIA request is denied, you have the right to appeal to the head of the agency. You may also appeal the following decisions regarding your request: a decision to withhold materials; a rejection of a fee waiver request; the type or amount of fees charged; or for any other type of adverse determination.

Appealing is a straightforward procedure. Simply write a letter including a description of your original request, the reason for your appeal, and why you believe the agency's response was incorrect. Please include a copy of your original request and the agency's response. You should be as complete as possible, and there is no charge for filing an administrative appeal. Your letter should be sent to:

IMLS Director  
c/o Office of the General Counsel  
Institute of Museum and Library Services  
1800 M Street NW, 9th Floor  
Washington, DC, 20036-5802

Phone: 202/653-4787

### About Grants.gov

As part of the President's E-Government initiative, the federal government developed [Grants.gov](#), a single Web site for organizations to electronically find and apply for competitive grant opportunities from all 26 of the federal grant-making agencies.

The Institute requires all applicants to apply online through Grants.gov. Applicants who are unable to use Grants.gov should contact an IMLS program officer.

*Please note that the entire completed application must be either online through Grants.gov - the Institute will not accept mailed paper attachments.*

For more information on the process of applying through Grants.gov, view the [Applicant Resources](#).

### Having Problems with Grants.gov?

If you experience any difficulties submitting your application through grants.gov, contact the IMLS Program Contact for the program you are applying to. Also, check out our [Tips for Working Successfully With Grants.gov](#).

### Grants.gov Registration

*All applicants must register with Grants.gov prior to submitting their application. The multi-step registration process generally cannot be completed in a single day. Applicants that are not already registered should allow at least two weeks to complete this one-time process. DO NOT WAIT UNTIL THE DAY OF THE APPLICATION DEADLINE TO REGISTER.*

[Step-by-step instructions for registering are available here](#). If you have problems registering, call the Grants.gov help desk at 1-800-518-4726; e-mail [support@grants.gov](mailto:support@grants.gov); or consult the information posted [on Grants.gov](#).

You do not need to complete the registration process to download the application package and begin to prepare your material (see below). However, you will need your Grants.gov UserID and password that you obtain during the registration process to submit your application when it's complete.

### Application Review Process

The Institute uses a peer review process to competitively evaluate all eligible and complete applications. Reviewers are professionals in the field who have relevant knowledge and expertise in the types of activities and organizations identified in the applications. Reviewers are instructed to evaluate proposed projects according to the criteria identified in the program guidelines. The Institute's director makes funding decisions based on the reviewers' evaluations and the overall goals of the program and the agency.

Check [grant program guidelines](#) for information on when the program office expects to notify both funded and unfunded applicants of final award decisions.

The mission of the Institute of Museum and Library Services is to create strong libraries and museums that connect people to information and ideas. Our accountability for advancing this goal reaches in many directions: toward our federal decision-makers, toward our grantee communities and their audiences, and to the public at large. If we are sincere in our goal—to help libraries and museums contribute to a nation whose people routinely seek strong skills and knowledge, adapt productively to change, actively engage in their work and communities, and excel in many areas of personal and public life—we must do more than provide support. We must measure and report our progress.

Note that for IMLS, while academic knowledge and skills are foundations, learning is broader. It includes the cognitive, social, and physical; the practical, entertaining, and personal; the formal and informal; and many, many more domains and settings. Learning represents knowledge, attitudes, skills, and behaviors that support individual success in our complex world—in short, outcomes. Outcomes allow us to know something about the extent to which we have (or haven't) reached our audiences. Information about outcomes allows us to strengthen our services. Equally important, it communicates the value of museums and libraries to the broadest spectrum of those to whom we account. Without data, it's been said, "you're just another guy with an opinion."

IMLS has responded to your need to know what difference our services make by developing a model of outcomes-based planning and evaluation as one foundation of our grant making. As our grantee or constituent, you connect to your audiences where learning happens. You can document individual change, often small and immediate, when it occurs. You can apply outcomes information quickly, to strengthen services as you develop and provide them. Finally, only you can accommodate the great variety of missions, resources, audiences, and creative services of museums and libraries as you assess your work. We turn to you not only to build locally effective learning resources and experiences, but also to measure the extent to which they achieve their educational purposes.

This area of our Web site contains information and resources about outcomes-based planning and evaluation. We hope you will return to this site often to see additions. If you have questions about library or museum-appropriate outcomes, or about outcomes-oriented planning or evaluation, please don't hesitate to contact IMLS's Research and Evaluation Officer, Matt Birnbaum, at [mbirnbaum@imls.gov](mailto:mbirnbaum@imls.gov).

Susan Hildreth  
*Director, Institute of Museum and Library Services*

All Grant Recipients

In the grant announcement package, all grantees receive a description of the review process that was used in making funding decisions and copies of reviewer comments from their application. We urge our grantees to consider concerns raised by reviewers as they undertake their project as their suggestions could, in many cases, result in stronger projects.

Any project that is carried out under a grant must be consistent with the proposal that is approved for funding by IMLS. Any change to a grant project's programmatic scope, key personnel, or budget must first be approved by MLS. All requests for a change to a grant project shall be signed by the authorizing official and submitted to the appropriate IMLS program officer.

Learn more about how funding is used in your state. You will find contact information for the State Library Administrative Agency as well as allotment amounts, project examples, five-year plan highlights, five-year evaluations, and survey data.

#### Program Overview

What is the Grants to States program?

The Grants to States program is the largest source of federal funding support for library services in the U.S. Using a population based formula, more than \$150 million is distributed among the State Library Administrative Agencies (SLAAs) every year. SLAAs are official agencies charged by law with the extension and development of library services, and they are located in:

- Each of the 50 states and the District of Columbia;
- The Territories (Guam, American Samoa, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands); and
- The Freely Associated States (Federated States of Micronesia, Republic of Palau, and the Republic of the Marshall Islands).

What do the funds support?

Each year, over 2,500 Grants to States projects support the [purposes and priorities outlined in the Library Services and Technology Act \(LSTA\)](#). SLAAs may use the funds to support statewide initiatives and services, and they may also distribute the funds through competitive subawards to, or cooperative agreements with, public, academic, research, school, or special libraries or consortia (for-profit and federal libraries are not eligible).

States and subrecipients have partnered with community organizations to provide a variety of services and programs, including access to electronic databases, computer instruction, homework centers, summer reading programs, digitization of special collections, access to e-books and adaptive technology, bookmobile service, and development of outreach programs to the underserved. To find out more about how funds are used in your state, visit your [state profile page](#).

Who does the program serve?

Grants to States funds have been used to meet the needs of children, parents, [teenagers](#), adult learners, [senior citizens](#), the unemployed, and the business community. One of the program's statutory priorities is to address underserved communities and persons having difficulty using a

library, and approximately ten percent of grant funds in recent years have supported library services for the blind and physically handicapped. The program also meets the needs of the current and future library workforce.

How are funds allocated?

The Grants to States program allocates a base amount to each of the SLAAs plus a supplemental amount based on population. For each of the 50 states, Puerto Rico and the District of Columbia, the base amount is \$680,000 each, and for the U.S. Territories the base amount is \$60,000 each. You can see [recent allotments for all the states here](#).

How is the program evaluated?

The Library Services and Technology Act requires each SLAA to submit a plan that details library services goals for a five-year period. SLAAs must also conduct a five-year evaluation of library services based on that plan. These plans and evaluations are the foundation for improving practice and informing policy. View [all the states' five-year plans](#) and [five-year evaluations for library services](#).

To strengthen the impact of the federal investment in the Grants to States program, IMLS and SLAAs are partnering in a comprehensive planning and evaluation initiative called [Measuring Success](#). This multi-year effort will fundamentally shift the way in which Grants to States program information is gathered and shared, improve program evaluation and reporting, and highlight evidence-based best practices.

When did the program begin? How has it changed over the years?

For more than 50 years, the Library Services and Technology Act Grants to States program and its predecessor programs have supported the delivery of library services in the U.S. Although the legislation has undergone numerous reauthorizations, the basic function of the program, which merges federal priorities with state-defined needs, continues to this day. Legislative highlights include:

- 1956: Congress passed the Library Services Act (LSA), authorizing \$7.5 million annually for 5 years for the extension and improvement of public library service in rural areas.
- 1962: LSA was reauthorized as the Library Services and Construction Act (LSCA), removing restrictions that limited funding to rural libraries and adding Title II, which contained funds for remodeling or construction of library buildings.
- 1996: Congress shifted LSCA to the Library Services and Technology Act (LSTA) as Subchapter II of the Museum and Library Services Act, ending federal funding for library construction and replacing it with a focus on new information technologies.

For more recent activity, see the [IMLS legislative timeline](#).

Who can I contact for more information?

For more information, use the IMLS [contact form](#). You can also contact Robin Dale, Associate Deputy Director for Library Services (202-653-4650; [rdale@imls.gov](mailto:rdale@imls.gov)).

## Research

[Data Collection](#)[Publications](#)[Program Evaluations](#)[Data Analysis Tools](#)[Evaluation](#)[Resources](#)[Research Guidance](#)[Fact Friday](#)

The Institute of Museum and Library Service' Office of Planning, Research and Evaluation (OPRE) supports the agency in its efforts to create strong libraries and museums that connect people to information and ideas. OPRE is organized to execute three key functions: policy research, program evaluation and data collection.

The office is currently managing three evaluations of IMLS programs, the Grants to States Program, Museums for America Program and the Laura Bush 21st Century Librarian Program. In addition the office is overseeing four national data collection efforts: the Public Libraries in the United States Survey, State Library Agency Survey, the Museums Count collections and a national household survey to gauge the use of museums and library services among the American public.

OPRE's functions are detailed in Section 9108 of the general provisions of the IMLS' authoring legislation, which states that the policy research, analysis, and data collection shall be conducted in ongoing collaboration (as determined appropriate by the Director), and in consultation, with – (1) State library administrative agencies; (2) national, State, and regional library and museum organizations; (3) other relevant agencies and organizations.

The legislation further states that the policy research, analysis, and data collection shall be used to – (1) identify national needs for and trends in museum, library, and information services; (2) measure and reports on the impact and effectiveness of museum, library, and information services throughout the United States, including the impact of Federal programs authorized under this Act; (3) identify best practices; and (4) develop plans to improve museum, library and information services of the United States and to strengthen national, State, local, regional, and international communications and cooperative networks.

### IMLS Vision

A democratic society where communities and individuals thrive with broad public access to knowledge, cultural heritage, and lifelong learning.

### IMLS Mission

The mission of IMLS is to inspire libraries and museums to advance innovation, lifelong learning, and cultural and civic engagement. We provide leadership through research, policy development, and grant making.

### IMLS Strategic Goals

1. IMLS places the learner at the center and supports engaging experiences in libraries and museums that prepare people to be full participants in their local communities and our global society.
2. IMLS promotes museums and libraries as strong community anchors that enhance civic engagement, cultural opportunities, and economic vitality.
3. IMLS supports exemplary stewardship of museum and library collections and promotes the use of technology to facilitate discovery of knowledge and cultural heritage.
4. IMLS advises the President and Congress on plans, policies, and activities to sustain and increase public access to information and ideas.
5. IMLS achieves excellence in public management and performs as a model organization through strategic alignment of IMLS resources and prioritization of programmatic activities, maximizing value for the American public.

### Fast Facts

- There are [123,000 libraries](#) and [35,000 museums](#) in the U.S.
- IMLS supports the full range of libraries, including public, academic, research, special and tribal, and the full range of museums including art, history, science and technology, children's museums, historical societies, tribal museums, planetariums, botanic gardens and zoos.
- 169 million people in the U.S. over the age of 14 (69% of the population) are library users.
- 148 million people in the U.S over the age of 18 visit a museum annually.

### Grants.gov Registration and Tips

#### Grants.gov Registration

You must register with Grants.gov before submitting your application to IMLS. [Click here to learn more about the multistep registration process.](#) Make sure your D-U-N-S® Number and SAM.gov registration are accurate, current, and active. We recommend that you allow 4 weeks to complete all steps in the Grants.gov registration process. DO NOT WAIT UNTIL THE WEEK OF THE APPLICATION DEADLINE TO REGISTER.

Before submitting an application, your organization must have a current and active D-U-N-S® Number, SAM registration, and Grants.gov registration. Check your materials and registrations well in advance of the application deadline to ensure that they are accurate, current, and active.

#### Tips for Working with Grants.gov

1. Start early! [Click here to learn more about Grants.gov resources](#), which include checklists, FAQs, and online tutorials to assist you in preparing your organization to submit applications.
2. You must designate at least one Authorized Organization Representative (AOR) to use Grants.gov. Consider designating more than one AOR when you register. This will help avoid last-minute crises in the event that your one AOR is unavailable when you are ready to submit your application. Also, you should update the AOR at Grants.gov when staff at your organization changes.
3. Make effective technological choices.
  - o Download the most recent version of Adobe® Acrobat® Reader® onto your computer for best results. Make sure to submit all documents in Adobe® PDF format.
  - o Follow the instructions in the Grant Program Notice of Funding Opportunity to convert your documents into PDFs. [Click here to learn more about PDF conversion programs.](#) Use Internet Explorer® as your browser when submitting the application to Grants.gov. [Click here for more information about browsers.](#)
4. Contact the [Grants.gov help line](#)(1-800-518-4726) for assistance with hardware and software issues, registration issues, and technical problems. The help line is available 24 hours a day, seven days a week, except for federal holidays, when it is closed.

### Native American Library Services: Basic Grants

#### Application:

The Notice of Funding Opportunity (Grant Program Guidelines) for the current fiscal year is now available:

[Access FY 2015 Notice of Funding Opportunity Online](#)

[Sample Library Services Plan](#) (PDF, 223KB)

[Read more about the Native American Library Services program on the IMLS website.](#)

#### Grant Program Webinars:

We invite you to participate in a pre-application webinar on Tuesday, February 17 at 3:00pm ET to learn more about the program, ask questions, and listen to the questions and comments of other participants. [Click here for instructions for participating.](#)

Deadline:	April 01, 2015
Grant Amount:	Varies
Grant Period:	One year
Cost Share Requirement:	None

#### Program Overview:

The Native American Library Services Basic Grant is noncompetitive and distributed in equal amounts among eligible applicants. Basic Grants are available to support existing library operations and to maintain core library services. The Education/Assessment Option is supplemental to the Basic Grants. It is also noncompetitive and must be requested. The purpose of the Education/Assessment Option is to provide funding for library staff to attend continuing education courses and training workshops on- or off-site, for library staff to attend or give presentations at conferences related to library services, and to hire a consultant for an on-site professional library assessment.

#### Eligibility:

Indian tribes, Alaska native villages, regional corporations, and village corporations are eligible to apply for funding under the Native American Library Services grant program. Entities such as libraries, schools, tribal colleges, or departments of education are not eligible applicants, although they may be involved in the administration of this program and their staff may serve as project directors, in partnership with an eligible applicant.

For purposes of funding under this program, "Indian tribe" means any tribe, band, nation, or other organized group or community, including any Alaska native village, regional corporation, or village corporation (as defined in, or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. § 1601 et seq.)), which is recognized by the Secretary of the Interior as eligible for the special programs and services provided by the United States to Indians because of their status as Indians. A list of eligible entities is available from the Bureau of Indian Affairs, except for the recognized Alaska native villages, regional corporations, and village corporations, which should refer to applicable provisions in the Alaska

Native Claims Settlement Act, referenced above.

#### How to Fill Out the SF-424S

The SF-424S is the "Application for Federal Domestic Assistance/Short Organizational Form" on Grants.gov.

Items 1-4 are automatically filled in by Grants.gov

#### Item 5. Applicant Information

a. Legal Name: Enter your organization's legal name as it appears in its SAM.gov registration. See grant Notice of Funding Opportunity for eligibility details. If your organization is eligible but does not have the authority to apply directly for funding, enter the name of the parent organization that is submitting the application on your organization's behalf. In that case, enter the name of your organization in the space provided for "Organizational Unit" on the Program Information Sheet, Question 1d.

b. Address: For Street1, enter your organization's street address or post office box number, whichever is used for its U.S. Postal Service mailing address. Street2 is not a required field and should be used only when a suite or room number or other similar information is part of the address.

In the ZIP+4/Postal Code box, enter the full nine-digit ZIP code assigned by the U.S. Postal Service. [Click here to retrieve your full ZIP code.](#)

c. Web Address: Enter the Web address of the legal applicant organization.

d. Type of Applicant: Select the one code that best characterizes your organization from the menu in the first dropdown box. Leave the other boxes blank.

e. Employer/Taxpayer Identification Number (EIN/TIN): Enter the Employer or Taxpayer Identification Number (EIN or TIN) assigned to your organization by the Internal Revenue Service.

f. Organizational DUNS: Enter your organization's D-U-N-S® Number received from Dun and Bradstreet. [Click here for guidance in obtaining a D-U-N-S® Number.](#)

g. Congressional District: Enter your organization's Congressional District. Use the following format: two-letter state abbreviation, followed by a hyphen, followed by a zero, followed by the two-digit district number. For example, if the organization is located in the 5th congressional district of California, enter "CA-005." For the 12th district of North Carolina, enter "NC-012." For states and territories with "At Large" congressional districts—that is, one representative or delegate represents the entire state or territory—use "001," e.g., "VT-001."

If your organization does not have a congressional district (e.g., it is located in a U.S. territory that does not have districts), enter "00-000." To determine your organization's district, [visit the House of Representatives website by clicking here](#) and using the "Find Your Representative" tool.

#### Item 6. Project Information

a. Project Title: Enter a brief descriptive title for your project. IMLS may use this title for public information purposes.

b. Project Description: Enter a brief description of your specific project, not your organization. Tell us what your project will do, for whom or what, and why. Use clear language that can be understood readily by readers who might not be familiar with the discipline or subject area. Note: There is a 1,000 character limit (including spaces) for this section in Grants.gov! Your application may

be rejected if you exceed this limit.

c. Proposed Project Start Date/End Date: Enter the proposed start date and end date for your project in the format mm/dd/yyyy. Your project must begin on the first day of a month and end on the last day of a month, as directed in the program Notice of Funding Opportunities.

#### Item 7. Project Director

Enter the requested information for the person who will have primary responsibility for carrying out your project's activities. Please select a prefix, even though it is not required.

#### Item 8. Primary Contact/Grants Administrator

Enter the requested information for the individual who has primary responsibility for administering the grant. If the Primary Contact/Grants Administrator is the same as the Authorized Representative, please complete both Items 8 and 9.

In some organizations, particularly smaller ones, this individual may be the same as the Project Director. If this is the case, check the box and skip to Item 9.

#### Item 9. Authorized Representative

Enter the name and contact information of the person who has the authority to enter into legal agreements in the name of your organization. The Authorized Representative cannot be the same person as the Project Director. By checking the "I Agree" box at the top of Item 9, this individual certifies the applicant's compliance with relevant federal requirements (the [IMLS Assurances and Certifications](#)). IMLS will address written correspondence to the Authorized Representative whose information you enter in Item 9.

The "Signature of Authorized Representative" and "Date Signed" boxes will be automatically populated by Grants.gov upon submission of the application. This will be the person whose name was listed as your organization's Authorized Representative when you registered with Grants.gov. Please note that this name might not be the same as the name and other information you entered in Item 9 above; however, the person whose name appears in the "Signature of Authorized Representative" box must have authorization from your organization to submit this application on behalf of your organization. Submission of the electronic application acknowledges that your organization certifies compliance with relevant federal requirements, including but not limited to the [IMLS Assurances and Certifications](#), to the same extent as the signature does on a paper application.

# IMLS PROGRAM INFORMATION SHEET

## 2. Organizational Financial Information

a. Please complete the following table for the applicant Organizational Unit for the three most recently completed fiscal years

Fiscal Year	Total Revenue*	Total Expenses**	Surplus or Deficit

\* For nonprofit tax filers, Total Revenue can be found on Line 12 of the IRS Form 990.

\*\* For nonprofit tax filers, Total Expenses can be found on Line 18 of the IRS Form 990.

b. If you had a budget surplus or deficit greater than 10% of your annual operating budget for two or more of the three fiscal years listed above, please explain the circumstances of this surplus or deficit in the box below.

c. Were there any material weaknesses identified in your prior year's audit report?

Yes                      No                      Not applicable

A **material weakness** is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

If **yes**, please explain.

d. Has your organization had an A-133 audit in the past three years?

Yes                      No

## 7. Population Served

Please select the population(s) served by the proposed project:

- |  |  |
|--|--|
| General Population   | Museum and/or Library Professionals                    |
| Early Childhood/Preschool (0-5 years)  | Native Americans/Native Hawaiians/Alaskans Native      |
| Middle Childhood/Primary School (6-12 years)                                       | People with Mental or Physical Challenges/Disabilities |
| Adolescents/High School (13-19 years)  | People who are Low Income/Economically Disadvantaged   |
| Adults   | Rural Populations                                      |
| Aging, Elderly, Senior Citizens (65+ years)  | Scholars/Researchers                                   |
| Ethnic or Racial Minority Populations other than Native Americans/Native Hawaiians | Unemployed   |
| Families/Intergenerational   | Urban Populations                                      |
| Immigrants/Refugees  | Other  |
| Military Families  |  |

If other, please specify:

## 8. Museum Profile (Museum Applicants Only)

a. Is the institution either a private not-for-profit organization that has tax-exempt status under the Internal Revenue Code or a unit of state or local government that is organized on a permanent basis for essentially educational or aesthetic purposes? Yes      No

b. Does the institution own or use these objects, whether animate or inanimate? Yes      No

c. Does the institution care for these objects? Yes      No

d. Does the institution exhibit these objects to the general public on a regular basis through facilities the institution owns or operates? Yes      No

e. Is the institution open and exhibiting tangible objects to the general public at least 120 days a year through facilities the institution owns or operates? Yes      No

f. Institution's attendance for the 12-month period prior to the application

On-site:  Off-site:

g. Year the institution was first open and exhibiting to the public:

h. Total number of days the institution was open to the public for the 12-month period prior to application:

i. Does the institution employ at least one professional staff member, or the full-time equivalent, whether paid or unpaid, who is primarily engaged in the acquisition, care, or exhibition to the public of tangible objects owned or used by the institution? Yes      No

j. Number of full-time paid institution staff:

k. Number of full-time unpaid institution staff:

l. Number of part-time paid institution staff:

m. Number of part-time unpaid institution staff:

# IMLS PROGRAM INFORMATION SHEET

## 9. Project Elements (Museums for America and National Leadership Grants for Museums Applicants Only)

Your response to this question will help us match your application to reviewers with appropriate experience. Begin by choosing the project category that you selected in Question 3 (Grant Program Information).

### LEARNING EXPERIENCES

If you are applying in the Learning Experiences Project Category, select the **primary** element that is core to your proposed project from the list below. **Check only one.**

- |                                  |                                   |
|----------------------------------|-----------------------------------|
| Adult Programs/Lifelong Learning | Interpretation                    |
| Digital Media                    | K-12 Programs with Schools        |
| Early Learning                   | K-12 Programs – Out of School     |
| Exhibitions                      | Professional Development/Training |
| Family Programs                  | Public Programs                   |

### COMMUNITY ANCHORS

If you are applying in the Community Anchors Project Category, select the **primary** element that is core to your proposed project from the list below. **Check only one.**

- |   |                                   |
|---|-----------------------------------|
| Audience Development/Community Outreach   | Digital Media                     |
| Audience Research and Evaluation          | Professional Development/Training |
| Civic Engagement                          | Visitor Experience                |
| Community-Driven Exhibitions and Programs |                                   |
| Community-Focused Planning Activities     |                                   |

### COLLECTIONS STEWARDSHIP

If you are applying in the Collections Stewardship Project Category, select the **primary** element that is core to your proposed project from the list below. **Check only one.**

#### Conservation

- Environmental Improvement/Rehousing
- Survey
- Treatment

#### Collections Management

- Cataloguing, Inventorying, Registration
- Collections Planning
- Information Management
- Professional Development/Training

Please identify the material type(s) that will be affected by your project.

# PART A—PROJECT BUDGET FOR NATIVE AMERICAN BASIC GRANT

Applicant Organization: \_\_\_\_\_

Use the following table for the Basic Grant project budget. The total should equal \$6,000, no more and no less.

**No indirect costs are allowed.** This table is also available as fillable PDF and Word forms at [www.ims.gov/applicants/grants/nativeAmerican.shtm](http://www.ims.gov/applicants/grants/nativeAmerican.shtm). See the sample budget below for guidance.

Spending Categories	Estimated Cost
1. Library Personnel	
2. Materials, supplies, and equipment	
3. Services	
4. Other (describe)	
<b>Total:</b>	<b>\$ 6,000</b>

## Sample Project Budget

Spending Categories	Estimated Cost
1. Library Personnel <ul style="list-style-type: none"> <li>• Library staff/tutor for after-school hours—\$13.00/hr x 5 hrs/week x 50 weeks=\$3,250</li> </ul>	\$3,250
2. Materials, supplies, and equipment <ul style="list-style-type: none"> <li>• New library books and magazine subscriptions</li> <li>• New computer</li> </ul>	\$1,200 \$ 900
3. Services <ul style="list-style-type: none"> <li>• Storyteller events at the library—\$50 honorarium for five storytellers</li> <li>• Training for graphic design for library newsletter</li> </ul>	\$ 250 \$ 100
4. Other (describe) <ul style="list-style-type: none"> <li>• Internet service provider fees—\$25/month x 12 months</li> </ul>	\$ 300
<b>Total:</b>	<b>\$6,000</b>

## PART B—PROJECT BUDGET FOR EDUCATION/ASSESSMENT OPTION

Applicant Organization: \_\_\_\_\_

The purpose of the Education/Assessment Option is to provide funding for tribal library staff to attend library-related continuing education courses and/or training workshops on- or offsite; to attend or give presentations at conferences related to library services; and/or to hire a consultant for an onsite professional library assessment. Use the following table to describe how the Education/Assessment Option will be spent. The total should equal \$1,000. **No indirect costs are allowed.** This is also available as fillable PDF and Word forms at [www.ims.gov/applicants/grants/nativeAmerican.shtm](http://www.ims.gov/applicants/grants/nativeAmerican.shtm). See the sample budget table below for guidance.

Spending Categories	Estimated Cost
1. Library-related continuing education/training	
2. Travel to conferences, continuing education, and other library-related training	
3. Services of a professional librarian to conduct an onsite library assessment and provide written assessment and recommendations	
<b>Total:</b>	<b>\$ 1,000</b>

### Sample Project Budget

Spending Categories	Estimated Cost
1. Continuing education/training <ul style="list-style-type: none"> <li>• Registration for state library conference</li> </ul>	\$ 100
2. Travel to conferences, continuing education, and other library-related training <ul style="list-style-type: none"> <li>• Travel to state library conference, hotel, meals</li> </ul>	\$ 300
3. Services of a professional librarian to conduct an onsite library assessment <ul style="list-style-type: none"> <li>• Site visit for collection assessment and report of recommendations</li> </ul>	\$ 600
<b>Total:</b>	<b>\$1,000</b>

**SAMPLE  
LIBRARY SERVICES PLAN  
FOR A NATIVE AMERICAN BASIC LIBRARY GRANT  
(WITH EDUCATION/ASSESSMENT OPTION)**

Name of Tribe: \_\_\_\_\_

**FUNDING REQUEST:** Indicate level of funding requested.

For example, a request for a Basic grant with Education/Assessment Option would be:  
FY15: \$6,000 Basic; \$1,000 Education/Assessment Option

**LIBRARY SERVICES PLAN**

Questions to consider:

- What are you focusing on during the year?
- Why is it important?
- How will you carry out your plan successfully?
- What results do you anticipate?

**SAMPLE PLAN A**

**FY15 Basic Grant funds:**

The focus for IMLS Basic Grant funds in FY15 will be to increase our collection of materials relating to our Tribe and neighboring Tribes in our region. There are many requests from community members for this type of material, not only in book form, but also DVD, CD, and other electronic formats. Teachers use them for classroom preparation; students consult them for school projects; and adults like to read them for self-directed learning and pleasure. Our goal is to increase our collection by 50 titles in this area, chosen based on the librarian's research of available resources and community requests.

We always participate in the Summer Reading Program sponsored by the state library. Some Basic Grant funds will be used to hire a temporary staff person to coordinate the Summer Reading Program as well as to purchase books and materials for the activities we plan for the youth during the summer months.

We also plan to join a regional consortium of libraries in order to have access to numerous databases that will help our community members with literacy skills, job searches, health and wellness issues, and many other subjects of interest. We keep a list of library users' requests so that we can decide on the appropriate types of databases needed by our clientele.

One other priority for FY15 is to purchase new laptops for our computer lab. The current computers are 8 years old and no longer meet our community's ever-increasing need for fast Internet access. Internet fees will also be covered by the grant. We anticipate that computer usage will jump by 70% as a result of the new laptops.

**FY15 Education/Assessment Option funds:**

In FY15 we would like to send our tribal librarian to a national conference so that she can learn about other projects that serve Native communities. Registration fees, travel, hotel, and per diem will be covered by the Option funds. Any costs above the \$1,000 will be covered by tribal funds. We are thinking of sending her either to an ALA or ATALM conference this year, but haven't decided which one yet. The librarian will report back to the Library Board about what she learned that could improve our library services. The Board will discuss future plans based on her report.

**SAMPLE PLAN B**

**FY15 Basic Grant funds:**

In FY15 we would like to focus some of our Basic Grant funds on a pre-literacy program for our children from birth to age 5. Research shows that pre-literacy skills are imperative for early reading success in school. Basic Grant funds will be used to purchase pre-literacy materials provided by a nationally-acclaimed program. A consultant will train library staff on how to successfully implement the program by tailoring it to our community. We will coordinate with appropriate pre-school programs to ensure our success in this endeavor.

In FY15 it will be time to replace some of the furnishings in our children's corner to prepare for the pre-literacy programs. We plan to make it a place where young children, their siblings, parents, and caregivers will want to return again and again for story hour or storytelling sessions with our elders.

Based on the special collection materials we purchase in FY15, we would like to focus some community programs on intergenerational storytelling, including digital storytelling. Youth will work with elders to put together stories in digital format, using our language, and then present them to the community as a new language resource. The elders, with their knowledge, and the youth, with their computer skills, will develop strong new relationships. Equipment for the digital storytelling will be purchased using Basic Grant funds.

We will continue to pay for Summer Reading and Internet access charges through this grant as well.

**FY15 Education/Assessment Option funds:**

In FY15, some of the Option funds will be used to pay for the pre-literacy program consultant. We also wish to hire a consultant to help us figure out space planning issues so that our library is more inviting to the public, particularly the children's corner.

We would also like to send the librarian to the state library conference where a group of tribal librarians will be meeting to organize a special interest group within the state library association.

**SAMPLE PLAN C**

**FY15 Basic Grant funds:**

In FY15 our library will want to focus on updating its general collection and reference materials. We have been using the Basic Grant funds for many years to build up our collection based on community interest, so FY15 funds will provide an opportunity to focus on weeding our collection and replacing outdated and damaged materials with new resources.

We are also interested in providing outreach services to our elderly and physically handicapped community members who have a difficult time visiting the library. Some Basic Grant funds will be used

to support a part-time staff person who coordinates this effort. Large-print books, audio books, and assistive devices will be purchased with grant funds.

We will continue to pay for Summer Reading and Internet access charges through this grant as well.

**FY15 Education/Assessment Option funds:**

In FY15 our librarian will participate in another national conference to network with tribal archivists, librarians, and museum staff who can share best practices and lessons learned. As our library develops into a valuable community anchor institution, we want to develop our services in a professional and culturally-sensitive manner. Learning about what other Tribes are doing will help guide us in the future.

#### IMLS Assurances and Certifications

---

As a Federal agency, IMLS is required to obtain from all applicants certifications, including those regarding Nondiscrimination, Debarment and Suspension, Federal Debt Status, and Drug-Free Workplace. Applicants requesting more than \$100,000 in grant funds must also certify regarding lobbying activities and may be required to submit a "Disclosure of Lobbying Activities" form (Standard Form LLL). Some applicants will be required to certify that they will comply with other federal statutes that pertain to their particular situation. These requirements are incorporated in the Assurances Statement below. The authorized representative must review the statement and provide the certification in item 9 on the Application for Federal Domestic Assistance/Short Organizational Form (SF-424s).

#### Assurances Statement

By signing the application form, the authorized representative, on behalf of the applicant, assures and certifies that, should a grant be awarded, the applicant will comply with the statutes outlined below and all related IMLS regulations (see 45 C.F.R. Chapter XI and 2 C.F.R. Chapter XXXI). These assurances are given in connection with any and all financial assistance from IMLS after the date this form is signed, but may include payments after this date for financial assistance approved prior to this date. These assurances shall obligate the applicant for the period during which the federal financial assistance is extended. The applicant recognizes and agrees that any such assistance will be extended in reliance on the representations and agreements made in these assurances, and that the United States Government has the right to seek judicial enforcement of these assurances, which are binding on the applicant, its successors, transferees, and assignees, and on the authorized official whose signature appears on the application form.

#### Certifications Required of All Applicants

##### Financial, Administrative, and Legal Accountability

The authorized representative, on behalf of the applicant, certifies that the applicant has legal authority to apply for federal assistance and the institutional, managerial, and financial capability (including funds sufficient to pay the nonfederal share of project costs) to ensure proper planning, management, reporting, recordkeeping, and completion of the project described in this application.

The authorized representative, on behalf of the applicant, certifies that the applicant will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. §7501 *et seq.*) and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with the provisions of applicable OMB Circulars.

##### Nondiscrimination

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with the following nondiscrimination statutes and their implementing regulations:

- Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. §2000 *et seq.*), which prohibits discrimination on the basis of race, color, or national origin (note: as clarified by Executive Order 13166, the applicant must take reasonable steps to ensure that limited English proficient (LEP) persons have meaningful access to the applicant's programs (see IMLS guidance at 68 Federal Register 17679, April 10, 2003));

- Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §701 *et seq.*, including §794), which prohibits discrimination on the basis of disability (note: IMLS applies the regulations in 45 C.F.R. Part 1170 in determining compliance with section 504 as it applies to recipients of Federal assistance);
- Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §1681–83, §1685–86), which prohibits discrimination on the basis of sex in education programs; and
- the Age Discrimination in Employment Act of 1975, as amended (42 U.S.C. §6101 *et seq.*), which prohibits discrimination on the basis of age.
- the requirements of any other nondiscrimination statute(s) which may apply to the application.

#### Debarment and Suspension

The applicant shall comply with 2 C.F.R. Part 3185 and 2 C.F.R. Part 180, as applicable. The authorized representative, on behalf of the applicant, certifies to the best of his or her knowledge and belief that neither the applicant nor any of its principals:

- are presently excluded or disqualified;
- have been convicted within the preceding three years of any of the offenses listed in 2 C.F.R. § 180.800(a) or had a civil judgment rendered against it or them for one of those offenses within that time period;
- are presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses listed in 2 C.F.R. § 180.800(a); or
- have had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default.

Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

The applicant, as a primary tier participant, is required to comply with 2 C.F.R. Part 180 subpart C (Responsibilities of Participants Regarding Transactions Doing Business with Other Persons) as a condition of participation in the award. The applicant is also required to communicate the requirement to comply with 2 C.F.R. Part 180 subpart C (Responsibilities of Participants Regarding Transactions Doing Business with Other Persons) to persons at the next lower tier with whom the applicant enters into covered transactions.

As noted in the preceding paragraph, applicants who plan to use IMLS awards to fund contracts should be aware that they must comply with the communication and verification requirements set forth in the above Debarment and Suspension provisions.

#### Federal Debt Status

The authorized representative, on behalf of the applicant, certifies to the best of his or her knowledge and belief that the applicant is not delinquent in the repayment of any federal debt.

#### Drug-Free Workplace

The authorized representative, on behalf of the applicant, certifies, as a condition of the award, that the applicant will or will continue to provide a drug-free workplace by complying with the requirements in 2 C.F.R. Part 3186 (Requirements for Drug-Free Workplace (Financial Assistance)). In particular, you as the recipient must comply with drug-free workplace requirements in subpart B (or subpart C, if the recipient is an individual) of 2 C.F.R. Part 3186, which adopts the Governmentwide implementation (2 C.F.R. Part 182) of sec. 5152-5158 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701-707).

This includes, but is not limited to: making a good faith effort, on a continuing basis, to maintain a drug-free workplace; publishing a drug-free workplace statement; establishing a drug-free awareness program for your employees; taking actions concerning employees who are convicted of violating drug statutes in the workplace; and identifying (either at the time of application or upon award, or in documents you keep on file in your offices) all known workplaces under your Federal awards.

#### Trafficking in Persons

The authorized representative, on behalf of the applicant, certifies, as a condition of the award, that the applicant will comply with the trafficking in persons requirements that are set out in the General Terms and Conditions for IMLS Discretionary Awards (2 C.F.R. 175.15 Award Term.).

#### Certification Regarding Lobbying Activities (Applies to Applicants Requesting Funds in Excess of \$100,000) (31 U.S.C. §1352)

The authorized representative certifies, to the best of his or her knowledge and belief, that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the authorized representative, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person (other than a regularly employed officer or employee of the applicant, as provided in 31 U.S.C. 1352) for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the authorized representative shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

(c) The authorized representative shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance is placed when the transaction is made or entered into. Submission of this certification is a prerequisite for making or entering into the transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### General Certification

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing the program.

#### Certifications Required of Some Applicants

The following certifications are required if applicable to the project for which an application is being submitted. Applicants should be aware that additional federal certifications, not listed below, might apply to a particular project.

#### Subgrants

A grantee may not make a subgrant unless expressly authorized by the Institute (see IMLS regulations at 45 CFR §1180.55).

#### Native American Human Remains and Associated Funerary Objects

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with the provisions of the Native American Graves Protection and Repatriation Act of 1990 (25 U.S.C. §3001 *et seq.*), which applies to any organization that controls or possesses Native American human remains and associated funerary objects, and which receives federal funding, even for a purpose unrelated to the Act.

#### Historic Properties

The authorized representative, on behalf of the applicant, certifies that the applicant will assist the awarding agency in ensuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470f), Executive Order (E.O.) 11593, and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §469 *et seq.*).

#### Environmental Protections

The authorized representative, on behalf of the applicant, certifies that the project will comply with environmental standards, including the following:

- (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969, as amended (42 U.S.C. §4321 *et seq.*) and E.O. 11514;
- (b) notification of violating facilities pursuant to E.O. 11738;
- (c) protection of wetlands pursuant to E.O. 11990, as amended by E.O. 12608;
- (d) evaluation of flood hazards in floodplains in accordance with E.O. 11988, as amended;
- (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972, as amended (16 U.S.C. §1451 *et seq.*);

(f ) conformity of federal actions to State (Clean Air) Implementation Plans under section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §7401 *et seq.*);

(g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (42 U.S.C. §300f *et seq.*); and

(h) protection of endangered species under the Endangered Species Act of 1973, as amended (16 U.S.C. §1531–1543).

The authorized representative, on behalf of the applicant, certifies that the project will comply with the Wild and Scenic Rivers Act of 1968, as amended (16 U.S.C. §1271 *et seq.*), related to protecting components or potential components of the national wild and scenic rivers system.

The authorized representative, on behalf of the applicant, certifies that the applicant will comply with the flood insurance purchase requirements of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. §4001 *et seq.*), which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.

#### Research on Human Subjects

The authorized representative, on behalf of the applicant, certifies that the project will comply with 45 C.F.R. Part 46 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

#### Research on Animal Subjects

The authorized representative, on behalf of the applicant, certifies that the project will comply with the Laboratory Animal Welfare Act of 1966, as amended (7 U.S.C. §2131 *et seq.*) pertaining to the care, handling, and treatment of warm-blooded animals held for research, teaching, or other activities supported by this award of assistance.

###

For further information on these certifications, contact IMLS, 1800 M Street, NW, 9th Floor, Washington, DC 20036. Or call 202/653-IMLS (4657).

### Getting a D-U-N-S® Number

All non-Federal entities are required to have a Dun and Bradstreet Data Universal Numbering System (D-U-N-S®) Number in order to apply for, receive, and report on a Federal award.

You should verify that your organization has a D-U-N-S® Number. If you find you do not, you can acquire one at no cost by calling the dedicated toll-free D-U-N-S® Number request line at 1-866-705-5711 or by visiting [www.dnb.com/get-a-duns-number/html](http://www.dnb.com/get-a-duns-number/html).

Be sure that the D-U-N-S® Number is the same as the number you use in the System for Award Management (SAM) as part of Grants.gov registration.

### SAM Registration

The System for Award Management (SAM) is a federal repository that centralizes information about grant applicants and recipients. You must be registered with SAM.gov before registering with Grants.gov. [Click here to find information about registering with SAM.gov.](#)

Registration cannot be completed in a single day. Once you have completely and accurately entered all of the information into SAM, it will take an average of 7-10 business days for processing to be completed. Some information must be validated by outside parties before your registration can be activated. This includes TIN validation with the IRS and CAGE validation/assignment with Department of Defense. The activation timeframe may be longer if the information you provide is flagged for manual validation by any party. You will receive an email alerting you when your registration is active.

You must renew and revalidate your registration in SAM.gov at least every 12 months from the date you last certified and submitted the registration in SAM--and sooner, if your information changes. An expired registration will affect your ability to receive awards or payments, submit applications via Grants.gov, or receive certain payments from some federal government agencies.

Please note that grant payments will be made to the bank account that is associated with your SAM.gov registration.

## **Glossary of Terms**

**Authorized Representative/Authorized Organization Representative/Certified Authorizing Official** - An official of the institution with the authority, in accordance with applicable law and requirements, to apply for federal support and/or enter into agreements and/or sign grant-related documents.

**Cash Contributions** - The grantee's cash outlay for budgeted project activities, including the outlay of money contributed to the grantee by third parties.

**Central Contractor Registration (CCR)** - See "System for Award Management."

**Cost Sharing** - The portion of the costs of a project not charged to IMLS funds. This would include cash contributions (as defined above), the value of grantee contributions of property and services (valued in accordance with the applicable cost principles), and the value of third-party in-kind contributions.

**Data Universal Numbering System (D-U-N-S®) Number** - The nine-digit number established and assigned by Dun and Bradstreet, Inc. (D&B) to give business entities a unique designation. A D-U-N-S® Number may be obtained from D&B by telephone or the Internet (currently at <http://fedgov.dnb.com/webform>).

**Debarment** - An action taken by an agency to exclude an organization from participating in Federal grants and contracts. (IMLS debarment and suspension regulations are found at 2 CFR Part 3185 and 2 CFR Part 180).

**Equipment** - Tangible non-expendable personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit.

**FFATA** - The Federal Funding Accountability and Transparency Act, as amended (currently at [www.fsr.gov](http://www.fsr.gov)).

**Grant** - A legal instrument of financial assistance between IMLS and a recipient to enter into a relationship that enables the recipient to carry out a public purpose.

**Grant Period** - The span of time designated in the grant award notification or an amendment, during which you, as the grantee, have the authority to obligate grant funds and undertake project activities.

**Grantee** - The organization to which a grant is awarded and which is accountable for the use of the funds provided.

**Indian tribe** - "Indian tribe" means any tribe, band, nation, or other organized group or community, including any Alaska native village, regional corporation, or village corporation (as defined in, or established pursuant to, the Alaska Native Claims

Settlement Act (43 U.S.C. 1601 et. seq.)), which is recognized by the Secretary of the Interior as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.

**In-Kind Contributions** - The value of non-cash contributions provided by non-Federal third parties. In-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project.

**Intangible Property** - Property that includes, but is not limited to, trademarks, copyrights, patents and patent applications.

**Obligation** - The amount of orders placed, contracts awarded, goods and services received, and similar transactions during the grant period that will require payment during the same or future period.

**Program Officer** - The IMLS program staff member designated in the cover letter of the official grant award package as the person responsible for the oversight of the grant.

**Program Income** - Gross income earned by a grantee that is directly earned as a result of the grant. It includes but is not limited to income from fees for services performed and from the sale of items created under a grant, usage or rental fees for equipment or property acquired under a grant, and license fees and royalties from patents and copyrights.

**Project Funds** - Both the federal and non-federal funds that are used to cover the cost of budgeted project activities.

**Simplified Acquisition Threshold** - This term replaces “small purchase threshold,” and the threshold is currently set at \$150,000 [2 CFR 2.101]. (See “Contract Provisions” in the Appendix to these General Terms and Conditions.)

**State** - Each of the 50 States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, and the Republic of Palau.

**Subgrant** - An award of financial assistance in the form of money or property, made under a grant by a grantee to an eligible sub-recipient or by a sub-recipient to a lower-tier sub-recipient. The term does not include the procurement of goods and services.

**Discretionary program grantees of the Office of Museum Services (OMS) and the Office of Library Services (OLS) do not have the authority to make subgrants (re-grant) with funds they have received from IMLS (45 C.F.R. §1180.55).**

**Supplies** - All personal property, excluding equipment and intangible property as defined in this glossary.

**Suspension of an organization** - An action taken by an agency that immediately prohibits an organization from participating in Federal grants and contracts for a temporary period, pending completion of an agency investigation and any judicial or administrative proceedings. (IMLS debarment and suspension regulations are found at 2 CFR Part 3185 and 2 CFR Part 180).

**Suspension of a grant** - The temporary withdrawal of federal sponsorship. This includes the withdrawal of authority to incur expenditures against grant funds, pending corrective action or a decision to terminate the grant.

**System for Award Management (SAM)** - The federal repository into which an entity must provide information required in order to conduct business as a recipient. This information was previously collected at the Central Contractor Registration (CCR) repository. Additional information about registration procedures may be found at the SAM Internet site (currently at <https://www.sam.gov>).

**Termination** - Cancellation of federal sponsorship of a project, including the withdrawal of authority to incur expenditures against previously awarded grant funds prior to the planned end of the grant period.

## **1. What do these General Terms and Conditions apply to?**

These General Terms and Conditions apply to grants that IMLS issues to private nonprofit organizations; institutions of higher education; and state, local, and federally recognized Indian tribal governments (unless we designate in the grant award that a different set of IMLS General Terms and Conditions apply). The IMLS Library Grants to States Program has a separate set of award terms and conditions.

## **2. What are my responsibilities when accepting a grant?**

In accepting an award, you assume the legal, financial, administrative, and programmatic responsibility for administering the award in accordance with these General Terms and Conditions and must comply with applicable laws, statutes, regulations, executive orders, OMB Circulars, and the terms of the award. You must also comply with the specific Assurances and Certifications that are part of a grant application.

While these General Terms and Conditions highlight those laws and requirements that apply most frequently to recipients of IMLS awards, you are responsible for following all applicable requirements of all other federal laws, executive orders, regulations, and policies governing this program, whether or not they are listed herein. Failure to comply could result in suspension or termination of the award, IMLS recovery of award funds, suspension/debarment of your organization, and/or other actions.

For reference, laws and requirements that relate specifically to IMLS grants include but are not limited to:

- IMLS's authorization statute (20 U.S.C. §9101 *et seq.*)
- IMLS's African American grant program statute (20 U.S.C. §80r-5)
- IMLS regulations (45 CFR Chapter XI and 2 CFR Chapter XXXI)
- IMLS appropriations laws

You assume responsibility for the conduct of project activities under an IMLS award, for adherence to the award conditions, for submitting financial and performance reports, and for informing IMLS during the course of the award of any significant programmatic, administrative, or financial problems that have arisen, including allegations of research misconduct. Forms, form instruction, and other guidance for successfully managing an IMLS discretionary grant are available on the IMLS website. You must also maintain documentation, which is subject to audit, of all activities and expenditures affecting the award.

## **3. What are these Terms and Conditions based on?**

These General Terms and Conditions are based on the administrative requirements of 2 CFR Part 215; 45 CFR Part 1180; 45 CFR Part 1183; 2 CFR Chapter XXXI. The above regulations apply to the majority of IMLS discretionary awards. Organizations that receive IMLS grants or

cooperative agreements that are subject to these General Terms and Conditions must be familiar with these regulations and any other applicable laws and follow the relevant requirements.

#### **4. Do I have to be registered in the System for Award Management (SAM)?**

Grant payments cannot be made to organizations that do not hold current System for Award Management ([www.SAM.gov](http://www.SAM.gov)) registrations.

You must maintain your registration in SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, more frequently if required by changes in your information or by other guidance.

#### **5. Do I have to comply with the Federal Funding Accountability and Transparency Act (FFATA)?**

You must comply with the Federal Funding Accountability and Transparency Act (as implemented in 2 CFR Part 170) and report total compensation for each of your five most highly compensated executives for the preceding completed fiscal year, **if the following criteria are true for your organization** —

- More than 80 percent of annual gross revenues are from the federal government, and those revenues are greater than \$25M annually; and
- Compensation information is not already available through reporting to the Securities and Exchange Commission (SEC).

#### **6. What determines allowable costs for IMLS-funded work?**

Allowable costs and cost allocation methods for work performed under an IMLS grant must be determined in accordance with the applicable federal cost principles and the terms and conditions of the grant award.

The following circulars set forth the federal cost principles that apply to the various types of IMLS grantees:

- 2 CFR Part 220 - Cost Principles for Educational Institutions (formerly OMB Circular A-21);
- 2 CFR Part 230 - Cost Principles for Non-Profit Organizations (formerly OMB Circular A-122);
- 2 CFR Part 225 - Cost Principles for State, Local, and Indian Tribal Governments (formerly OMB Circular A-87).

Copies of the cost principles may be obtained from [www.omb.gov](http://www.omb.gov).

## **7. Are extensions of the grant period allowed?**

If you determine toward the end of a grant period that additional time is required to complete the original scope of the project with the funds already made available, an Authorized Representative/Authorized Organization Representative/Certified Authorizing Official of your institution may submit a request to the appropriate IMLS program officer to extend the grant for up to a year.

Extension requests must be made at least 30 calendar days prior to the original grant ending date and explain in detail the reason for the request. Extensions are not automatic and some IMLS programs do not allow extensions. We will inform you in writing as to whether an extension request has been granted. We do not typically extend a grant more than once.

## **8. Are changes in project scope allowed?**

Any project that is carried out under a grant must be consistent with the scope of the approved proposal. The scope of a project encompasses the purpose for which the grant is undertaken, the subject matter, the treatment of the subject matter, the historical time frame of the project, the volume of material that will be studied/treated, and the products that are expected to result from grant activities. No changes may be made in the scope of a project without written approval from IMLS.

All requests for a change in the scope of a grant must be signed by an Authorized Representative/Authorized Organization Representative/Certified Authorizing Official and submitted to the appropriate IMLS program officer.

## **9. Are changes in key project personnel allowed?**

The replacement of the project director or the co-director or other personnel specifically identified in the grant award notification, or a substantial reduction in the level of their effort (e.g., their unanticipated absence for more than three months, or a 25 percent reduction in the time devoted to the project), requires **prior** written approval from IMLS. When it is specifically required as a condition of a grant, written approval will also be needed for the replacement or the substantial reduction in the level of effort of other personnel whose work we deem critical to the project's successful completion.

All requests for approval of changes in key project personnel must be signed by an Authorized Representative/Authorized Organization Representative/Certified Authorizing Official and include evidence of the qualifications for replacement personnel.

## **10. How do I make changes to the project budget?**

The project budget is the schedule of anticipated project expenditures that is approved by IMLS for carrying out the purposes of the grant. When you or a non-Federal third party supports a

portion of the project costs, the project budget includes that portion as well as the IMLS share of project expenses.

You must obtain prior written approval from the IMLS program officer whenever a budget change is necessary because of:

- a. a change in the scope or objectives of the project (see Article 8);
- b. the transfer to a third party (by contracting, or other means) of any work under a grant;<sup>1</sup>
- c. the addition of costs that are specifically disallowed by the terms and conditions of the grant award or for which the applicable cost principles require prior approval, e.g., the purchase of equipment, participant support costs, foreign travel;
- d. the transfer of funds among direct costs categories, or, if applicable, among separately budgeted programs, projects, functions or activities, when the federal share of project costs exceeds \$100,000 and the cumulative amount transferred exceeds 10 percent of the total current approved project budget (IMLS funds plus cost share); or
- e. the transfer of funds from stipends or training allowances to other budget categories.

All requests for budget revisions must be dated and signed by an Authorized Representative/Authorized Organization Representative/Certified Authorizing Official and submitted to the IMLS program officer.

Within 30 calendar days of receiving the request for budget revision, we will review the request and notify you whether or not it has been approved. If the budget revision is still under consideration at the end of 30 calendar days, we will inform you in writing of the date by which you may expect a decision.

## **11. What are the cost-sharing requirements?**

**You are required to share in project expenses at the level indicated in the approved project budget.** You must also maintain auditable records of all project costs whether they are charged to grant funds or supported by cost-sharing contributions. Any proposed change in level of cost share must be submitted to IMLS for approval.

All cash and in-kind contributions to a project that you or a non-federal third party provide are acceptable as your cost share when such contributions are

- verifiable from your records;
- not included as contributions for any other federally assisted program;
- necessary and reasonable for the proper and efficient accomplishment of project objectives;
- types of charges considered allowable under the applicable cost principles;
- used to support activities that are included in the approved project work plan; and
- incurred during the grant period.

---

<sup>1</sup> IMLS approval is not required for third-party transfers that were described in the approved project plan, or for the purchase of supplies, materials, or general support services.

Contributions, such as property, space, or services that you provide for a project must be valued in accordance with the applicable federal cost principles.

When your cost sharing includes non-federal third-party in-kind contributions, the basis for determining the value of volunteer services and donated property or space must be documented and must conform to the applicable federal cost principles.

Unless otherwise approved by IMLS, the following items are **not eligible** as cost share:

- other federal funds, including IMLS funds. This includes federal funds that have been subgranted or disbursed to you from another grantor;
- resources that have been used as cost share for another IMLS award or other federal program;
- contributions or gifts transferred to your organization that are restricted and cannot be used to support the project;
- gifts (testamentary or otherwise) that are not available to your organization during the project period.

## **12. What is the process for receiving payment from IMLS?**

Grant payments cannot be made to organizations that do not hold current System for Award Management registrations (SAM.gov). You must maintain the currency of your information in SAM from the time of application until submission of the final financial report required under an award or receipt of the final payment, whichever is later. Generally, you must renew SAM registration annually.

You will request payments with form SF270, Request for Advance or Reimbursement, which you can find on the IMLS website at <http://www.imls.gov/recipients/administration.aspx> and e-mail it in PDF format to IMLS Grants Administration at [grantsadmin@imls.gov](mailto:grantsadmin@imls.gov).

If you do not have the capability to email PDF documents, forms may be mailed to  
Institute of Museum and Library Services  
Attn. Grants Administration  
1800 M Street, NW / 9<sup>th</sup> Floor  
Washington, DC 20036-5802

If your SF270 form is incomplete or inaccurate, your payment will be delayed.

The SF270 must be signed by an Authorized Representative/Authorized Organization Representative/Certified Authorizing Official of your institution.

You may submit a payment request whenever grant funds are needed. Emailed payment requests are normally processed within ten business days. Mailed payment requests will take longer.

To avoid possible delays in processing a payment request, you should explain unusually high payment requests when they are submitted to IMLS.

### Advance Payment

Unless otherwise stated in the special terms and conditions of the grant award notification (or subsequent action), you are authorized to be paid on an advance basis through electronic funds transfer, provided that the following conditions exist:

1. Funds for the project period have been obligated in the form of a signed grant award notification;
2. You maintain or demonstrate the willingness to maintain written procedures that will minimize the time elapsing between the transfer of funds to you from the U.S. Treasury and your disbursement of such funds;
3. Your financial management system meets the standards for fund control and accountability prescribed in 2 CFR Part 215 (formerly OMB Circular A-110) or 45 CFR § 1183.20; and
4. Your SAM.gov registration is current and active.

Requests for advance payment must be limited to your immediate cash needs. Advance payments must be fully disbursed (example: checks written, signed, and issued to the payees) within 30 days of the date you receive the advance funds from the U.S. Treasury. Advance payment requests for must be submitted no earlier than 15 business days prior to the beginning of the period for which the funds are requested.

### Frequency of Requests

You may submit a payment request whenever grant funds are needed. Requests for advance payment must be submitted no earlier than 15 business days prior to the beginning of the period for which the funds are requested. Grantees that email payment requests to IMLS can normally expect payment via electronic transfer within ten business days. Mailed payment requests will take longer to process.

### Limitations on Advance Payments

Requests for advance payment must be limited to immediate cash needs. Federal funds advanced to the recipient must be fully disbursed (example: checks written, signed, and issued to the payees) within 30- days of the date you receive the advance funds from IMLS. To avoid possible delays in processing a payment request, you should explain unusually high payment requests when they are submitted to IMLS.

### Reporting on Advance Payments

You are required to report on the status of funds received from IMLS within 30 days of receiving an advance, using either Section 11 or Section 12 of the SF270 form. This form must be submitted for reporting, even if no additional funds are being requested. The next request for payment will not be approved until the outstanding advance has been fully liquidated by the recipient.

You must maintain advances of federal funds in interest-bearing bank accounts unless you receive less than \$120,000 per year in advanced grant funds or the most reasonably available interest-bearing account would not earn more than \$100 (State, Local and Indian Tribal Governments) or \$250 (Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations) per year on the federal cash balance, or would entail bank services charges in excess of the interest earned. (You are encouraged to use women-owned and minority-owned banks - banks that are owned at least 50 percent by women or minority group members).

Interest in excess of \$250 annually that is earned on advanced payments must be remitted annually to IMLS. You must mail a check identified as interest earned on advances of IMLS funds to:

Institute of Museum and Library Services  
Attn. Grants Administration  
1800 M Street, NW, 9<sup>th</sup> Floor  
Washington, DC 20036-5802

### **13. What are the reporting requirements?**

You are responsible for submitting interim and final performance and financial reports. A final performance report and a final financial report must be submitted to IMLS Grants Administration within 90 calendar days after the completion date of the grant period. The grant award notification includes a schedule of interim and final report due dates. If a grant is extended, IMLS will email a revised reporting schedule.

Interim and final report forms and instructions are available on the IMLS website: <http://www.ims.gov/recipients/administration.shtm>. Failure to submit reports on a timely basis may result in delayed payments and the suspension of action on pending applications from the grantee organization.

Interim and final reports (reports of 20MB or less) should be emailed in PDF format to [imsreporting@ims.gov](mailto:imsreporting@ims.gov). The grant number must be referenced in the 'Subject' of the email. If you do not have the capability to email PDF documents, the reports may be mailed to:

Institute of Museum and Library Services  
Attn. Grants Administration  
1800 M Street, NW / 9<sup>th</sup> Floor  
Washington, DC 20036-5802

Reports that exceed 20MB must be mailed.

When a signed report is emailed to IMLS, you are required to retain the original report in accordance with the standards set forth in Article 16 (Record Retention) of these General Terms and Conditions.

## 14. What are the requirements for my organization's financial management system?

Your organization's financial management system must meet the applicable federal requirements (for example, 45 CFR § 1180.53 and 45 CFR §1183.20), consistent with the following standards.

### Accounting System

You must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to **each federally sponsored project**. Accounting records must contain information pertaining to federal awards, authorizations, obligations, unobligated balances, assets, outlays, income, and interest. These records must be maintained on a current basis and balanced at least quarterly.

Cash contributions to the project from third parties must be accounted for in the general ledger with other grant funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger.

### Source Documentation

Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, and contractual and consultant agreements. All supporting documentation should be clearly identified with the grant and general ledger accounts that are to be charged or credited.

The documentation required for salary charges to grants is prescribed by the cost principles applicable to your organization, for example:

- 2 CFR, Part 220 (Cost Principles for Educational Institutions)
- 2 CFR, Part 230 (Cost Principles for Non-Profit Organizations),
- 2 CFR, Part 225 (Cost Principles for State, Local, and Indian Tribal Governments)

Personnel activity reports must account on an after-the-fact basis for one hundred percent of the employee's actual time, separately indicating the time spent on the IMLS grant, other grants or projects, vacation or sick leave, and administrative time if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records should be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of the your organization.

If third party in-kind (non-cash) contributions are used on a project, the valuation of these contributions must be supported with adequate documentation.

### Internal Control

Effective control and accountability must be maintained for all cash, real and personal property, and other assets. You must adequately safeguard all such property and provide assurance that it is used solely for authorized purposes. You must also have systems in place that ensure compliance with the terms and conditions of each grant award.

### Budget Control

Records of expenditures must be maintained for each grant project by the cost categories of the approved budget (including indirect costs that are charged to the project), and actual expenditures are to be compared with budgeted amounts no less frequently than quarterly. IMLS approval is required for certain budget revisions (see Article 10).

### Allowable Costs

The applicable OMB cost principles, these General Terms and Conditions, and any special conditions of the grant award shall govern the determination of the reasonableness, allowability, and allocability of project costs.

### Cash Management

You must also have written procedures to minimize the time elapsing between the receipt and the disbursement of grant funds to avoid having excessive federal funds on hand. Requests for advance payment must follow the guidelines set forth in Article 12 of this document.

**Grant funds may only be obligated during the grant period, and they must be distributed no later than 90 days after the end of the grant period.**

## **15. Do I need to get an audit of my organization's finances?**

You must obtain an audit, as required by the Single Audit Act Amendments of 1996 (31 U.S.C. §§7501-7507), and comply with the requirements of OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," if you expend in the aggregate of \$500,000 or more in federal funds on financial assistance awards or cost-reimbursement contracts in any fiscal year ending after December 31, 2003. (Copies of A-133 may be obtained from [www.omb.gov](http://www.omb.gov) )

## **16. What are the rules for retaining records after a grant is finished?**

You must meet the applicable federal requirements for record retention (for example, see 2 CFR §215.53 and 45 CFR §1183.42), as consistent with the following standards:

You must retain financial records, supporting documentation, statistical records, and all other records pertinent to the grant for three years from the date of submission of the final Federal Financial Status Report Form (SF425 form). Other requirements may apply for program income and indirect cost rate proposals, etc.

If any litigation, claim, or audit is started before the end of the three year period, you must retain the records until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

IMLS, the Comptroller General of the United States, and any of their duly authorized representatives, have the right of access to any pertinent books, documents, papers, and records to make audits, examinations, excerpts, transcripts, and copies. Further, any contract you negotiate in excess of the simplified acquisition threshold for the purposes of carrying out the grant project must include a provision to the effect that you as the grantee, IMLS, the Comptroller General, or any of their duly authorized representatives shall have access for similar purposes to any books, documents, papers, and records that are directly pertinent to the project for the purpose of making audits, examinations, excerpts, and transcriptions (for example, 2 CFR §215.48(d) or 45 CFR §1183.36(i)(10)).

## **17. What rules govern our procurement procedures?**

You are responsible for complying with the applicable procurement standards, for example set forth in 2 CFR Part 215 (for institutions of higher education, hospitals, and other non-profit organizations) and 45 CFR Part 1183 (for state, local, and Indian tribal governments).

You must have standards to ensure that materials and services acquired under federal awards are obtained in an effective manner and in compliance with the provisions of applicable federal statutes, regulations, and executive orders.

Written procedures should include, among other things, determining economical approaches; providing for competition; dealing with conflict of interest; efforts to use small businesses, minority-owned firms, and women's business enterprises; and maintaining records sufficient to detail the procurement process.

(See Appendix A for further guidance on procurement.)

## **18. What are the rules for equipment and supplies?**

The purchase of equipment not included in the approved project budget is allowable only if it is specifically approved by IMLS and there is documentation to support that the purchase is necessary and reasonable to carry out project activities.

Equipment records must be maintained that include the description of the equipment; the serial number or other identification number; the source of the equipment; the title holder; the acquisition date; the cost of the equipment; the location, use, and condition of the equipment; and any ultimate disposition data including the date of disposal and the sale price of the equipment. A physical inventory of the equipment must be taken and the results reconciled with the equipment records at least once every two years while the grant is active.

Title to equipment purchased or fabricated with IMLS funds belongs to your organization with the understanding that the equipment will be used for the approved project. We reserve the right to request the transfer of title to the federal government or to a third party when the current per-unit fair market value of the equipment is \$5,000 or more and the equipment is no longer needed to carry out the purposes of the project or other projects funded by government agencies.

Title to supplies and other expendable property belongs to you upon acquisition. If there are unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project and the supplies are not needed for any other federally sponsored project or program, you may keep the supplies for use on non-Federal sponsored activities or sell them, but must, in either case, compensate the Federal Government for its share.

## **19. What are the rules for travel costs?**

Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by those on grant-related official business.

Such costs may be charged on an actual basis, on a per diem or mileage basis in lieu of actual costs, or on a combination of the two. The chosen method must be consistent with those normally allowed by your organization, as stated in your written travel policy.

Travelers must use the lowest commercial discount or customary standard (coach) airfare unless such accommodations are not reasonably available to accomplish the purpose of travel.

## **22. Are there additional rules for foreign travel?**

For the purposes of these Terms and Conditions, foreign travel includes any travel outside Canada, Mexico, the United States, and any United States territories and possessions.

All air transportation of persons or property that is paid in whole or in part with IMLS funds must be performed in accordance with applicable law, including but not limited to the Fly America Act (49 U.S.C. §40118). Each separate foreign trip must be itemized in the budget approved by IMLS. Foreign travel that is not included in the approved project budget must be specifically approved in writing by the appropriate IMLS program officer.

(See Appendix B for additional information on rules for foreign travel.)

## **23. Are there specific requirements for your sharing of results and work products, and what may IMLS share?**

Wide dissemination of the results of IMLS-funded projects advances the body of knowledge and professional practice in museum, library, and information services. For this reason, IMLS encourages creators of works resulting from IMLS funding to share their work whenever

possible through forums such as institutional or disciplinary repositories, open-access journals, or other media.

All work products resulting from IMLS funding should be distributed for free or at cost unless IMLS has given you written approval for another arrangement. IMLS expects you to ensure that final peer-reviewed manuscripts resulting from research conducted under an award are made available in a manner that permits the public to access, read, download, and analyze the work without charge.

Unless otherwise specified in the award documents, IMLS requires that at the end of your project, you provide IMLS at least one copy of any printed or physical distributable products and one copy of any electronic projects produced with IMLS funds. Printed or physical products include items such as learning resources, promotional materials, publications like journal articles or book manuscripts, research instruments, and reports from consultants or external evaluators. Electronic products include materials such as research datasets or software tools produced during the project. Generally, at least a beta version of any software developed on an IMLS-funded project must be provided to IMLS as a product of the grant. You should consult with IMLS regarding software development projects.

IMLS may share grant applications, grant products, and performance and other reports with grantees, potential grantees, and the general public to further the mission of the agency and the development of museum and library services. These materials may be disseminated in a variety of ways and formats, including online.

## **24. What are the requirements for data collection and data sharing?**

### Data Collection

Data collection activities performed under an IMLS grant are your responsibility, and IMLS support of the project does not constitute approval of the survey design, questionnaire content, or data collection procedures. You shall not represent to respondents that such data are being collected for, or in association with, IMLS or any other government agency without the specific written approval of the data collection plan or device by IMLS. However, this requirement is not intended to preclude mention of IMLS support of the project in response to an inquiry or acknowledgment of such support in any publication of this data; acknowledgement of IMLS support is still required.

### Data Sharing

Research data sharing is an essential component of research and expedites the translation of research results into new knowledge and practices.

If you collect and analyze data as part of an IMLS funded project, IMLS expects you to deposit data resulting from IMLS-funded research in a broadly accessible repository that allows the public to use the data without charge no later than the date upon which you submit your final

report to IMLS. You should deposit the data in a machine-readable, non-proprietary digital format to maximize search, retrieval, and analysis.

Your project budget may include the costs of preparing the data for public release and for making the data publicly available, as long as these activities are undertaken and the costs are incurred during the grant award period. In your final report to IMLS, you will be required to identify where your data has been deposited and can be accessed by the public.

IMLS recognizes that data sharing may be complicated or limited in some cases by institutional policies; local Institutional Review Board (IRB) rules; and local, state, and federal laws and regulations, including those protecting confidentiality and personal privacy. The rights and privacy of people who participate in IMLS-supported research must be protected at all times. Thus, data intended for broader use should be free of anything that could lead to disclosure of the identity of individual participants. For data files containing personally identifiable information (PII), it is your responsibility to employ a standard and systematic statistical disclosure limitation methodology to limit the risk of PII disclosure. Additional guidance on statistical disclosure limitation methodology is available at [http://www.imls.gov/research/research\\_guidance.aspx](http://www.imls.gov/research/research_guidance.aspx). You should identify and explain the reasons for any limitations in your data management plan.

For the purposes of this section, “data” is defined consistent with OMB circular A-110.

## **25. What are the rules for Acknowledgment of IMLS Support?**

All materials publicizing or resulting from grant activities must contain an acknowledgement of IMLS support, unless you are advised otherwise. This includes items such as invitations, brochures, and signage; audio/video programming for radio, television, or web broadcast; and electronic items such as websites and e-mail announcements. (See [http://www.imls.gov/recipients/imls\\_acknowledgement.aspx](http://www.imls.gov/recipients/imls_acknowledgement.aspx) for specific guidance).

The type of recognition varies according to the type of activity. Please use the following guidelines for acknowledgement:

- Written materials must include a credit line indicating IMLS as a source of support;
- Graphic items such as posters or brochures should include the IMLS logo (available at <http://www.imls.gov/recipients/logos.aspx>), displayed in accordance with the Logo Standards Guide;
- Electronic items should link to the IMLS Web site, <http://www.imls.gov>;
- Audio/video broadcasts must include a tagline indicating IMLS as a source of support. Video broadcasts should display the IMLS logo.

In materials that contain or present substantive project content, such as an exhibition, catalogue, video documentary, or online exhibition, the acknowledgement must also include the following statement: “The views, findings, conclusions or recommendations expressed in this (publication) (program) (exhibition) (website) do not necessarily represent those of the Institute of Museum and Library Services.”

## 26. What are the intellectual property and data rules for products that result from IMLS grants?

- a. You may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under the grant. IMLS reserves a royalty-free, worldwide, nonexclusive, and irrevocable right to reproduce, publish or otherwise use the work for Federal purposes and to authorize others to do so (*see also*, Intangible Property, 2 CFR Part 215.36, and 45 CFR Part 1183.34 Copyrights). You shall also ensure that all publication and distribution agreements include provisions giving the government a royalty-free, worldwide, nonexclusive and irrevocable right to reproduce, publish or otherwise use the work for Federal purposes, and for IMLS to authorize others to do so, and requiring the acknowledgment of IMLS support.
- b. IMLS reserves a royalty-free, worldwide, nonexclusive, and irrevocable right to: (1) obtain, reproduce, publish or otherwise use the data first produced under the grant; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.
- c. If you are awarded funds for experimental, developmental, or research work, you are subject to the regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR Part 401, “Rights to Inventions made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements.”
- d. In response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under a grant that were used by the Federal Government in developing an agency action that has the force and effect of law, IMLS shall request, and you shall provide, within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA (5 U.S.C. §552).

## 27. What happens if a funded project earns income?

The federal share of program income is determined by the percentage of total project costs supported by IMLS.

### Income Earned During the Grant Period

You will retain the federal share of program income earned during the grant period and, unless the grant award notification specifies how such income will be used, must use it in one or more of the following ways:

- It may be added to the existing project funds and used to further eligible project objectives.
- It may be used to meet the grantee’s cost-sharing requirement.
- It may be deducted from the total allowable costs to determine the net allowable project costs that may be charged to the IMLS grant.

You must be in contact with your IMLS program officer to discuss which of the three ways are appropriate for your grant.

A report of program income must be submitted with the final Federal Financial Report Form (SF425) whenever program income is earned during the grant period or when the special conditions of the grant award specifically require such a report. The report must indicate the total amount of program income that was earned and how it was used. Costs related to the generation of income may be deducted from gross amount earned to determine the amount of program income that is subject to the requirements of this article, as long as they are not charged to the grant or included in the grantee's cost sharing.

#### Income Earned After the Grant Period

The grantee has no obligation to the federal government regarding program income earned after the end of the grant period, unless otherwise stated in the grant award notification.

## **28. What do we do when research misconduct is alleged or discovered?**

Research misconduct is defined as the fabrication, falsification, or plagiarism in proposing, performing, or reviewing research, or in reporting research results.

You bear primary responsibility for prevention and detection of research misconduct and for the inquiry, investigation, and adjudication of research misconduct alleged to have occurred in association with your institution.

If an allegation of research misconduct is first made to your institution, you must notify IMLS if the allegation meets the definition of research misconduct given above, and if your institution's inquiry into the allegation determines there is sufficient evidence to proceed to an investigation.

At any time during an inquiry or investigation, the grantee will immediately notify IMLS if

- federal resources or interests are threatened,
- public health or safety is at risk,
- research activities should be suspended,
- there is a reasonable indication of possible violations of civil or criminal law,
- federal action is required to protect the interests of those involved in the investigation,
- the grantee believes the inquiry or investigation may be made public prematurely so that appropriate steps can be taken to safeguard evidence and protect the rights of those involved, or
- the research community or public should be informed.

We will make a finding of misconduct or take action on such a finding only after careful inquiry and investigation by your institution, by another federal agency, or by IMLS. In the event of a finding of research misconduct, we will determine what administrative actions are appropriate.

## **29. How does a grant get terminated before its completion?**

Grants may be terminated in whole or in part

- a) by IMLS, if you materially fail to comply with the terms and conditions of an award;
- b) by IMLS with your consent, in which case the two parties must agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion of the project to be terminated; or
- c) by you, upon sending to IMLS written notification of the reasons for such termination, the effective date, and, in the case of partial termination, the portion of the project to be terminated. However, if we determine that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, we may terminate the grant in its entirety either unilaterally or with your consent.

When we determine that you have failed to comply with the terms and conditions of the grant award, we may suspend or terminate the grant for cause. Normally, this action will be taken only after you have been notified of the deficiency and given sufficient time to correct it. This does not preclude immediate suspension or termination when such action is required to protect the interests of the government.

In the event that a grant is suspended and corrective action is not taken within 90 calendar days of the effective date, we may issue a notice of termination. No costs that are incurred during the suspension period or after the effective date of termination will be allowable except those specifically authorized by the suspension or termination notice or those that, in the opinion of IMLS, could not have been reasonably avoided.

Within 30 calendar days of the termination date, you must provide to IMLS a summary of progress achieved under the grant, an itemized accounting of charges incurred against grant funds and cost sharing prior to the effective date of the suspension or termination, and a separate accounting and justification for any costs that may have been incurred after this date. Should you fail to furnish this material, we may place your organization on the list of ineligible grantees.

The total of IMLS payments under a terminated award cannot exceed the obligated award amount.

## **30. What are the procedures for requesting a review of termination?**

If you receive a notice of termination, you may request IMLS review of the decision. The request must be postmarked no later than 30 calendar days after the date of the termination notice and should be addressed to:

IMLS Director  
Institute of Museum and Library Services  
1800 M Street, NW, 9<sup>th</sup> Floor  
Washington, D.C. 20036-5802

The request for review must contain a full statement of your position and the pertinent facts and reasons that support such a position. The Director will promptly acknowledge the request for review and appoint a review committee of at least three staff members. Pending the resolution of the review, the notice of termination will remain in effect.

None of the review committee members may be from the IMLS program or administrative staff that recommended termination or were responsible for monitoring the programmatic or administrative aspects of the grant. The committee will have full access to all relevant IMLS background materials. The committee may also request the submission of additional information from your organization or IMLS staff. At its discretion, the committee may meet with representatives of both groups to discuss the pertinent issues. All review activities will be fully documented by the committee. Based on its review, the committee will present its written recommendation to the Director, who will make the final decision and make it known to the parties involved.

### **31. How do I proceed if this document contradicts other IMLS materials related to grants?**

Should there be any inconsistency between these General Terms and Conditions, the special terms of the grant or cooperative agreement award, and any IMLS Program Guidelines, brochures, or other IMLS materials cited or included by reference in the award, contact the IMLS Program Office or Grants Administration Office for guidance.

### **32. What are the government-wide requirements for implementing federal grants?**

You are responsible for complying with all laws related to Federal awards, including but not limited to those in the Assurances and Certifications you agreed to when applying for an IMLS award, the IMLS-specific statutes and regulations referenced in Article 2 of these General Terms and Conditions, and the following U.S. government-wide requirements:

#### **(a) Nondiscrimination**

The grantee must comply with the following nondiscrimination statutes and their implementing regulations and must also comply with the requirements of any other nondiscrimination laws which may apply:

- (a) Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. §2000 *et seq.*), which prohibits discrimination on the basis of race, color, or national origin (note: as clarified by Executive Order 13166, the applicant must take reasonable steps to ensure that limited English proficient (LEP) persons have meaningful access to the applicant's programs (see IMLS guidance at 68 Federal Register 17679, April 10, 2003));
- (b) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §701 *et seq.* including §794), which prohibits discrimination on the basis of disability (note: IMLS

applies the regulations in 45 CFR Part 1170 in determining compliance with section 504 as it applies to recipients of Federal assistance);

- (c) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §1681–83, §1685–86), which prohibits discrimination on the basis of sex in education programs; and
- (d) the Age Discrimination in Employment Act of 1975, as amended (42 U.S.C. §6101 *et seq.*), which prohibits discrimination on the basis of age.

**(b) Debarment and Suspension**

Grantees are prohibited from doing business with any organization or person (as a recipient, subrecipient, contractor, or key employee) if they have been debarred or suspended by any Federal department or agency.

The *OMB Guidelines to Agencies on Governmentwide Debarment and Suspension* (Nonprocurement) contained in 2 CFR Part 180 and the corresponding IMLS regulations contained in 2 CFR Part 3185 apply to IMLS grants.

The grantee, as a primary tier participant, is required to comply with 2 CFR Part 180 subpart C (Responsibilities of Participants Regarding Transactions Doing Business with Other Persons) as a condition of participation in the award. The grantee is also required to communicate the requirement to comply with 2 CFR Part 180 subpart C (Responsibilities of Participants Regarding Transactions Doing Business with Other Persons) to persons at the next lower tier with whom the grantee enters into covered transactions.

**(c) Drug-Free Workplace**

The grantee must provide a drug-free workplace by complying with the requirements in 2 CFR Part 3186 (Requirements for Drug-Free Workplace (Financial Assistance)). In particular, the grantee must comply with drug-free workplace requirements in subpart B (or subpart C, if the recipient is an individual) of 2 CFR Part 3186.

This includes, but is not limited to: making a good faith effort, on a continuing basis, to maintain a drug-free workplace; publishing a drug-free workplace statement; establishing a drug-free awareness program for the grantee’s employees; taking actions concerning employees who are convicted of violating drug statutes in the workplace; and identifying (either at the time of application or upon award, or in documents the grantee keeps on file in its offices) all known workplaces under the grantee’s Federal awards.

**(d) Trafficking in Persons**

The grantee must comply with Federal law pertaining to trafficking in persons. Under 22 U.S.C. §7104(g), any grant, contract, or cooperative agreement entered into by Federal agency and a private entity shall include a condition that authorizes the Federal agency (IMLS) to terminate the grant, contract, or cooperative agreement if the grantee, subgrantee, contractor, or subcontractor engages in trafficking in persons, procures a commercial sex act, or uses forced labor. 2 CFR Part 175 requires IMLS to include the following award term, which is made a part of these General Terms and Conditions:

- a. *Provisions applicable to a recipient that is a private entity.*

1. You as the recipient, your employees, subrecipients under this award, and subrecipients' employees may not—

i. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;

ii. Procure a commercial sex act during the period of time that the award is in effect; or

iii. Use forced labor in the performance of the award or subawards under the award.

2. We as the Federal awarding agency may unilaterally terminate this award, without penalty, if you or a subrecipient that is a private entity —

i. Is determined to have violated a prohibition in paragraph a.1 of this award term; or

ii. Has an employee who is determined by the agency official authorized to terminate the award to have violated a prohibition in paragraph a.1 of this award term through conduct that is either—

A. Associated with performance under this award; or

B. Imputed to you or the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR part 180, “OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement),” as implemented by our agency at 2 CFR Chapter XXXI, part 3185.

b. *Provision applicable to a recipient other than a private entity.*

We as the Federal awarding agency may unilaterally terminate this award, without penalty, if a subrecipient that is a private entity—

1. Is determined to have violated an applicable prohibition in paragraph a.1 of this award term; or

2. Has an employee who is determined by the agency official authorized to terminate the award to have violated an applicable prohibition in paragraph a.1 of this award term through conduct that is either—

i. Associated with performance under this award; or

ii. Imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR part 180, “OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement),” as implemented by our agency at 2 CFR part 3185.

c. *Provisions applicable to any recipient.*

1. You must inform us immediately of any information you receive from any source alleging a violation of a prohibition in paragraph a.1 of this award term.
  2. Our right to terminate unilaterally that is described in paragraph a.2 or b of this section:
    - i. Implements section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended (22 U.S.C. §7104(g)), and
    - ii. Is in addition to all other remedies for noncompliance that are available to us under this award.
  3. You must include the requirements of paragraph a.1 of this award term in any subaward you make to a private entity.
- d. *Definitions.* For purposes of this award term:
1. “Employee” means either:
    - i. An individual employed by you or a subrecipient who is engaged in the performance of the project or program under this award; or
    - ii. Another person engaged in the performance of the project or program under this award and not compensated by you including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing or matching requirements.
  2. “Forced labor” means labor obtained by any of the following methods: the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.
  3. “Private entity”:
    - i. Means any entity other than a State, local government, Indian tribe, or foreign public entity, as those terms are defined in 2 CFR 175.25.
    - ii. Includes:
      - A. A nonprofit organization, including any nonprofit institution of higher education, hospital, or tribal organization other than one included in the definition of Indian tribe at 2 CFR 175.25(b).
      - B. A for-profit organization.
  4. “Severe forms of trafficking in persons,” “commercial sex act,” and “coercion” have the meanings given at section 103 of the TVPA, as amended (22 U.S.C. §7102).

**(e) Federal Debt Status**

The grantee should not be delinquent in the repayment of any Federal debt.

**(f) Lobbying**

The grantee may not conduct political lobbying within the Federally-supported project. In addition, the grantee may not use Federal funds for lobbying specifically to obtain awards, extensions, amendments, or other Federal actions. (31 U.S.C. §1352) Certain other lobbying restrictions, such as the following, may also apply:

Lobbying Activities (Applies to Applicants Requesting Funds in Excess of \$100,000) (31 U.S.C. §1352). The following provisions, which were part of the grant application, remain in effect for the award:

- (a) No Federal appropriated funds may be paid, by or on behalf of the grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (b) If any funds other than Federal appropriated funds have been paid or will be paid to any person (other than a regularly employed officer or employee of the applicant, as provided in 31 U.S.C. §1352) for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the grantee shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.
- (c) The grantee shall require that the language of the certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

In addition, no IMLS grant funds shall be used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, relating to any activity designed to influence legislation or appropriations pending before the Congress or any State legislature. (P.L. 111-117, Division D, Title V General Provisions, sec. 503(b)).

**(g) Requirements for Certain Projects**

The grantee must comply with the following requirements if applicable to the project. The grantee should also be aware that additional Federal laws, not listed below, might apply to a particular project and that the grantee is responsible for compliance, as applicable.

**Subgrants in IMLS Discretionary Programs**

Discretionary program grantees of the Office of Museum Services (OMS), the Office of Library Services (OLS) and the Office of Policy, Research and Evaluation (OPRE) do not have the authority to make a subgrant (re-grant) with funds they have received from IMLS unless expressly authorized by IMLS (45 C.F.R. §1180.55). The OLS State

Library Program grantees are subject to different requirements and may make subgrants under certain circumstances (45 C.F.R. §1183.37).

### **Native American Human Remains and Associated Funerary Objects**

The grantee must comply with the provisions of the Native American Graves Protection and Repatriation Act of 1990 (25 U.S.C. §3001 *et seq.*), which applies to any organization that controls or possesses Native American human remains and associated funerary objects, and which receives federal funding, even for a purpose unrelated to the Act.

### **Historic Properties**

The grantee must assist the awarding agency (IMLS) in ensuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470f), Executive Order (E.O.) 11593, and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §469 *et seq.*).

### **Environmental Protections**

The project must comply with environmental standards, including the following:

- (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969, as amended (42 U.S.C. §4321 *et seq.*) and E.O. 11514;
- (b) notification of violating facilities pursuant to E.O. 11738;
- (c) protection of wetlands pursuant to E.O. 11990, as amended by E.O. 12608;
- (d) evaluation of flood hazards in floodplains in accordance with E.O. 11988, as amended;
- (e) assurance of project consistency with the approved state management program developed under the Coastal Zone Management Act of 1972, as amended (16 U.S.C. §1451 *et seq.*);
- (f) conformity of federal actions to State (Clean Air) Implementation Plans under section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §7401 *et seq.*);
- (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (42 U.S.C. §300f *et seq.*);
- (h) protection of endangered species under the Endangered Species Act of 1973, as amended (16 U.S.C. §1531–1543);
- (i) the Wild and Scenic Rivers Act of 1968, as amended (16 U.S.C. §1271 *et seq.*), related to protecting components or potential components of the national wild and scenic rivers system; and
- (j) the grantee must comply with the flood insurance requirements of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. §4001 *et seq.*), which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.

### **Research on Human Subjects**

The grantee must protect the rights and welfare of any human subjects involved in research, development, and related activities that are supported by an IMLS grant award. The grantee must ensure that the project complies with 45 CFR Part 46 regarding the protection of human subjects involved in research, development, and related activities supported by the IMLS award of assistance.

**Research on Animal Subjects**

The grantee must ensure that the project complies with the Laboratory Animal Welfare Act of 1966, as amended (7 U.S.C. §2131 *et seq.*) pertaining to the care, handling, and treatment of warm-blooded animals held for research, teaching, or other activities supported by the IMLS award of assistance.

# Appendix A

## 1. Procurement Standards

The grantee is responsible for complying with the procurement standards set forth in 2 CFR Part 215 (for institutions of higher education, hospitals, and other non-profit organizations) and 45 CFR Part 1183 (for State, local, and Indian tribal governments) and, to the extent consistent with such regulations, the standards set forth below.

The standards contained in this section do not relieve the grantee of the contractual responsibilities arising under its contracts. The grantee is the responsible authority, without recourse to IMLS, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of a grant or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual matter. Matters concerning the violation of a statute are to be referred to such Federal, State, or local authority as may have proper jurisdiction.

When procuring property or services under a grant, the grantee's procurement policies must adhere to the applicable regulations and the standards set forth below. Subrecipients of grant funds are subject to the same policies and procedures as the grantee.

- a. The grantee must maintain a system for contract administration that ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. Grantees shall evaluate contractor performance and document, as appropriate, whether or not contractors have met the terms, conditions, and specifications of the contract.
- b. A written standard of conduct for awarding and administering contracts shall be maintained by the grantee. No employee, officer, or agent of the grantee shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when any of the following has a financial or other interest in the firm selected for a contract: the employee, officer, or agent; any member of his or her immediate family; his or her partner; or an organization which employs or is about to employ any of the preceding parties.

The officers, employees, and agents of the grantee shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, the grantee may set standards governing when the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the grantee.

- c. All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The grantee should be alert to organizational conflicts of interest or noncompetitive practices among contractors that may restrict or eliminate competition.

d. All grantees shall establish written procurement procedures that meet the requirements set forth in applicable statutes, regulations, and related laws, and in this Appendix.

## 2. Contract Provisions

The following section also contains the types of provisions that **must be included in IMLS-funded grantee procurement contracts** when applicable and consistent with applicable law. Please note that the Contract Provisions below are given for general guidance; the grantee should follow the **specific** regulations and provisions that correspond to the grantee's organizational identity (e.g. 2 CFR Part 215 for institutions of higher education, hospitals, and nonprofit organizations or 45 CFR Part 1183 for State, local, and Indian tribal governments) and other law, as applicable.

a. Grantee contracts must provide for:

- (1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and such remedial actions as may be appropriate.
- (2) Termination by the grantee, including the manner by which it will be effected and the basis for settlement.
- (3) Access by the grantee, IMLS, the Comptroller General of the United States, or any other duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

b. Contracts shall contain the following provisions as applicable:

- (1) Equal Employment Opportunity
- (2) Copeland "Anti-Kickback" Act
- (3) Contract Work Hours and Safety Standards Act
- (4) Clean Air Act
- (5) Rights to Inventions and Materials Generated Under a Contract or Agreement (Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Government and the recipient in any resulting invention in accordance with 37 CFR Part 401 and any implementing regulations issued by the awarding agency.)
- (6) Federal Water Pollution Control Act (33 U.S.C. §1251 et seq.), as amended
- (7) Byrd Anti-Lobbying Amendment (31 U.S.C. §1352)
- (8) Debarment and Suspension (E.O. 12549 and 12689)

No contracts shall be made to parties listed on the Lists of Parties Excluded From Federal Procurement or Nonprocurement Programs (EPLS) in accordance with Executive Orders 12549 and 12689. These lists contain the names of contractors debarred, suspended, or proposed for debarment by agencies, and contractors declared ineligible under other statutory or regulatory authority other than Executive Order 12549.

Under certain circumstances, grantees are required to obtain a certification regarding debarment and suspension from subrecipients and from parties with whom they contract for goods or services.

## Appendix B

### Use of U.S.-Flag Air Carriers

All air travel funded by IMLS must be on U.S.-flag air carriers or under a code-sharing arrangement with a U.S.-flag air carrier, unless otherwise permitted by law. The fact that comparable service provided by a foreign-flag carrier is less expensive, more convenient, or can be paid for with excess foreign currency is not sufficient justification for using a foreign flag carrier that does not have a code-sharing arrangement with a U.S. flag air carrier.

The following **general rules** apply unless their application would result in the first or last leg of travel from or to the U.S. being performed by a foreign-flag air carrier:

(a) a U.S.-flag air carrier shall be used to destination or, in the absence of direct or through service, to the farthest interchange point on a usually traveled route.

(b) if a U.S.-flag air carrier does not serve an origin or interchange point, a foreign-flag air carrier shall be used only to the nearest interchange point on a usually traveled route to connect with a U.S. flag air carrier.

(c) a U.S.-flag air carrier involuntarily reroutes the traveler via a foreign-flag air carrier, the foreign-flag air carrier may be used notwithstanding the availability of alternative U.S.-flag air carrier service.

### Use of Foreign-Flag Air Carriers

#### 1. Travel To and From the U.S.

Use of a foreign-flag air carrier is permissible if:

(a) the airport abroad is the traveler's origin or destination airport, and use of U.S.-flag air carrier service would extend the time in a travel status by at least 24 hours more than travel by a foreign-flag air carrier; or

(b) the airport abroad is an interchange point, and use of U.S.-flag air carrier service would increase the number of aircraft changes the traveler must make outside of the U.S. by 2 or more, would require the traveler to wait four hours or more to make connections at that point, or would extend the time in a travel status by at least six hours more than travel by a foreign-flag air carrier.

#### 2. Travel Between Points Outside the U.S.

Use of a foreign-flag air carrier is permissible if:

(a) travel by a foreign-flag air carrier would eliminate two or more aircraft changes en route;

(b) travel by a U.S.-flag air carrier would require a connecting time of four hours or more at an overseas interchange point; or

(c) the travel is not part of the trip to or from the U.S., and use of a U.S.-flag air carrier would extend the time in a travel status by at least six hours more than travel by a foreign-flag air carrier.

#### 3. Short Distance Travel

For all short distance travel, regardless of origin and destination, use of a foreign-flag air carrier is permissible if the elapsed travel time on a scheduled flight from origin to destination airport by a foreign-flag air carrier is three hours or less and service by a U.S.-flag air carrier would double the travel time.

#### Acknowledgement of IMLS Support

---

What are the requirements for acknowledging work done with IMLS grant funding?

We require acknowledgement of IMLS assistance in all publications and other products resulting from the project, such as research reports, websites, and presentations. All work products should reference IMLS and include the associated grant award numbers. Grant recipients will receive further instructions on how to acknowledge IMLS support and tips on how to share information about their projects.

#### Sharing IMLS-Supported Work Products and Copyright

How is information shared about IMLS projects and for what purposes?

We encourage creators of works resulting from IMLS funding to share their work whenever possible through forums such as institutional or discipline-based repositories, open-access journals, or other media. Wide dissemination of the results of IMLS-funded projects advances the body of knowledge and professional practice in museum, library, and information services.

We require that your final report include one copy of each product you create, unless otherwise instructed. We may share grant applications, products, and reports with grantees, potential grantees, and the general public to further the mission of the agency and the development of museum, library, and information services. These materials may be disseminated and made available in a variety of ways and formats, including online.

What do I need to know about copyright and works produced with IMLS support?

You may copyright any work that is subject to copyright and was developed under an award or for which ownership was purchased. However, we reserve, for Federal government purposes, a royalty-free, worldwide, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work and authorize others to reproduce, publish, or otherwise use the work.

All work products resulting from IMLS funding should be distributed for free or at cost unless we have given you written approval for another arrangement. We expect you to ensure that final peer-reviewed manuscripts resulting from research conducted under an award are made available in a manner that permits the public to access, read, download, and analyze the work without charge.

What do I need to know about digital assets produced with IMLS support?

IMLS is committed to expanding public access to IMLS-funded assets, including research data and other digital products: the assets you create with IMLS funding require careful stewardship to protect and enhance their value. They should be freely and readily available for use and re-use by libraries, archives, museums and the public. Applying these principles to the development of digital products is not straightforward; because technology is dynamic and because we do not want to inhibit innovation, the IMLS does not want to prescribe set standards and best practices that would certainly become quickly outdated. Instead, IMLS defines the digital assets your projects should achieve in a series of questions; your answers are used by IMLS staff and by expert peer reviewers to evaluate your proposal; and they will play a critical role in determining whether your grant will be funded. Together, your answers will comprise the basis for a work plan for your project, as they will address all the major components of the development process. See the [Digital Stewardship Supplementary Information Form](#) for more information.

Data sharing is an essential component of research and expedites the translation of research results into

new knowledge and practices. If your project involves the collection and analysis of data, we expect you to include, as part of your application, a data management plan (Part III of the [Digital Stewardship Supplementary Information Form](#)) that provides for long-term preservation and access. We expect you to deposit data resulting from IMLS-funded research in a broadly accessible repository that allows the public to use the data without charge no later than the date upon which you submit your final report to IMLS. The data should be deposited in a machine-readable, non-proprietary digital format to maximize search, retrieval, and analysis.

Your project budget may include the costs of preparing the data for public release and for making the data publicly available. In your final report to IMLS, you will be required to identify where your data have been deposited and can be accessed by the public

We recognize that data sharing may be complicated or limited in some cases by institutional policies; local Institutional Review Board (IRB) rules; and local, state, and federal laws and regulations, including those protecting confidentiality and personal privacy. The rights and privacy of people who participate in IMLS-supported research must be protected at all times. Thus, data intended for broader use should be free of anything that could lead to disclosure of the identity of individual participants. You should identify and explain the reasons for any limitations in your data management plan.

For the purposes of this section, "data" is defined consistent with OMB guidance (please see 2 CFR 200.315). We reserve a royalty-free, worldwide, nonexclusive, and irrevocable right to: (1) obtain, reproduce, publish or otherwise use the data first produced under a grant; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

## Conflict of Interest Requirements

What Conflict of Interest requirements must I follow?

As a non-Federal entity, you must follow IMLS conflict of interest policies for Federal awards. You must disclose in writing any potential conflict of interest to an IMLS Program Officer, or to the pass-through entity if you are a subrecipient or contractor. This disclosure must take place immediately whether you are an applicant or have an active IMLS award.

The IMLS conflict of interest policies apply to subawards as well as contracts, and are as follows:

1. As a non-Federal entity, you must maintain written standards of conduct covering conflicts of interest and governing the performance of your employees engaged in the selection, award, and administration of subawards and contracts.
2. None of your employees may participate in the selection, award, or administration of a subaward or contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization considered for a subaward or contract. The officers, employees, and agents of the non-Federal entity must neither solicit nor accept gratuities, favors, or anything of monetary value from subrecipients or contractors or parties to subawards or contracts.
3. If you have a parent, affiliate, or subsidiary organization that is not a State, local government, or Indian tribe, you must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a subaward or procurement action involving a related organization.

All Grant Recipients

In the grant announcement package, all grantees receive a description of the review process that was used in making funding decisions and copies of reviewer comments from their application. We urge our grantees to consider concerns raised by reviewers as they undertake their project as their suggestions could, in many cases, result in stronger projects.

Any project that is carried out under a grant must be consistent with the proposal that is approved for funding by IMLS. Any change to a grant project's programmatic scope, key personnel, or budget must first be approved by MLS. All requests for a change to a grant project shall be signed by the authorizing official and submitted to the appropriate IMLS program officer.

#### Program Overview

What is the Grants to States program?

The Grants to States program is the largest source of federal funding support for library services in the U.S. Using a population based formula, more than \$150 million is distributed among the State Library Administrative Agencies (SLAAs) every year. SLAAs are official agencies charged by law with the extension and development of library services, and they are located in:

- Each of the 50 states and the District of Columbia;
- The Territories (Guam, American Samoa, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands); and
- The Freely Associated States (Federated States of Micronesia, Republic of Palau, and the Republic of the Marshall Islands).

What do the funds support?

Each year, over 2,500 Grants to States projects support the [purposes and priorities outlined in the Library Services and Technology Act \(LSTA\)](#). SLAAs may use the funds to support statewide initiatives and services, and they may also distribute the funds through competitive subawards to, or cooperative agreements with, public, academic, research, school, or special libraries or consortia (for-profit and federal libraries are not eligible).

States and subrecipients have partnered with community organizations to provide a variety of services and programs, including access to electronic databases, computer instruction, homework centers, summer reading programs, digitization of special collections, access to e-books and adaptive technology, bookmobile service, and development of outreach programs to the underserved. To find out more about how funds are used in your state, visit your [state profile page](#).

Who does the program serve?

Grants to States funds have been used to meet the needs of children, parents, [teenagers](#), adult learners, [senior citizens](#), the unemployed, and the business community. One of the program's statutory priorities is to address underserved communities and persons having difficulty using a

library, and approximately ten percent of grant funds in recent years have supported library services for the blind and physically handicapped. The program also meets the needs of the current and future library workforce.

How are funds allocated?

The Grants to States program allocates a base amount to each of the SLAAs plus a supplemental amount based on population. For each of the 50 states, Puerto Rico and the District of Columbia, the base amount is \$680,000 each, and for the U.S. Territories the base amount is \$60,000 each. You can see [recent allotments for all the states here](#).

How is the program evaluated?

The Library Services and Technology Act requires each SLAA to submit a plan that details library services goals for a five-year period. SLAAs must also conduct a five-year evaluation of library services based on that plan. These plans and evaluations are the foundation for improving practice and informing policy. View [all the states' five-year plans](#) and [five-year evaluations for library services](#).

To strengthen the impact of the federal investment in the Grants to States program, IMLS and SLAAs are partnering in a comprehensive planning and evaluation initiative called [Measuring Success](#). This multi-year effort will fundamentally shift the way in which Grants to States program information is gathered and shared, improve program evaluation and reporting, and highlight evidence-based best practices.

When did the program begin? How has it changed over the years?

For more than 50 years, the Library Services and Technology Act Grants to States program and its predecessor programs have supported the delivery of library services in the U.S. Although the legislation has undergone numerous reauthorizations, the basic function of the program, which merges federal priorities with state-defined needs, continues to this day. Legislative highlights include:

- 1956: Congress passed the Library Services Act (LSA), authorizing \$7.5 million annually for 5 years for the extension and improvement of public library service in rural areas.
- 1962: LSA was reauthorized as the Library Services and Construction Act (LSCA), removing restrictions that limited funding to rural libraries and adding Title II, which contained funds for remodeling or construction of library buildings.
- 1996: Congress shifted LSCA to the Library Services and Technology Act (LSTA) as Subchapter II of the Museum and Library Services Act, ending federal funding for library construction and replacing it with a focus on new information technologies.

For more recent activity, see the [IMLS legislative timeline](#).

Who can I contact for more information?

For more information, use the IMLS [contact form](#). You can also contact Robin Dale, Associate Deputy Director for Library Services (202-653-4650; [rdale@imls.gov](mailto:rdale@imls.gov)).

## Privacy and Terms of Use

Thank you for visiting the websites of the Institute of Museum and Library Services ("IMLS Websites" or "Websites") and reviewing our privacy policy and terms of use.

### Privacy

Maintaining the privacy of our visitors is important to us and our privacy policy is clear. We will collect no personal information about you when you visit our Websites unless you choose to provide that information to us.

Here is how we handle information about your visit to our Websites. As you can see, the information we receive depends upon what you do when visiting our sites:

#### I. Information Collected and Stored Automatically

If you do nothing during your visit but browse through the Websites, read pages, or download information, we will gather and store certain information about your visit automatically. This information does not identify you personally. We automatically collect and store only the following information about your visit:

- The Internet domain (for example, "xcompany.com" if you use a private Internet access account, or "your school.edu" if you connect from a university) and IP address (an IP address is a number that is automatically assigned to your computer whenever you are surfing the Web) from which you access our Websites;
- The type of browser and operating system used to access our sites;
- The date and time you access our sites;
- The pages you visit; and
- If you linked to an IMLS Website from another website, the address of that website.

We use this information to help us make our sites more useful to visitors and to learn about the number of visitors to our sites and the types of technology our visitors use. We do not track or record information about individuals and their visits.

#### II. If You Send Us Personal Information

If you choose to provide us with personal information - by subscribing to our newsletter or sending us an e-mail comment - we use that information to register your subscription and/or respond to your comment, if appropriate. IMLS does not collect information for commercial purposes.

#### III. If You Use the Agency's Grants-Related Online Resources

IMLS maintains several online systems for the convenience of the public and to assist the agency in carrying out its grant-making responsibilities. Use of these resources is voluntary, and the agency will use the information you submit solely for the reasons you provided it. If you apply online, we will use the information you submit to determine eligibility, assist reviewers in evaluating the application, select successful applicants, and administer the award program. Some of the reviewers will be outside the agency; we will take appropriate security measures to protect the information we share with them. The information otherwise will be disclosed only for a government purpose or as required by law. If you submit a report online, the information will be used for to evaluate your project or program and for related government purposes.

### Cookies

"Cookies" are small bits of text that are either used for the duration of a session ("session cookies") or saved on a user's hard drive in order to identify that user, or information about that user, the next time the user logs on to a website ("persistent cookies"). Your computer will only share the information in the cookie

with the website that provided it and no other website can request it. The IMLS Websites may use persistent cookies. By default, we use cookies to enable more streamlined navigation and for statistical analysis to make improvements to our Websites. A few of our Websites may also make use of persistent cookies to remember you between visits so, for example, you can save your customized preference settings for future visits. Each IMLS site using persistent cookies identifies itself as doing so.

You can remove or block cookies by [changing the settings](#) of your browser. You can still use our Websites if you do not accept the cookies; however, you may be unable to use certain cookie-dependent features. Further information regarding the handling of cookies is generally available on the website of applicable third party providers. The Federal Government also has [guidelines](#) for the use of persistent cookies.

### Disclaimer of Endorsement

Any references to commercial entities, products, processes, or services, or other nongovernmental organizations or individuals that are included on the Websites by trade name, trademark, manufacturer, or otherwise are provided solely for your information. These references are not intended to reflect the opinions of IMLS, the United States Government, or their officers or employees or third party service providers concerning the significance, priority, or importance to be given the referenced entity, product, service, organization, or individual. Such references, including any that may relate to our initiatives and partnerships, are not official or personal endorsements or approvals, and should not be quoted or reproduced for the purpose of stating or implying endorsement or approval by IMLS or the Government.

### Third-Party Websites and Applications

IMLS's presence on any third-party website, including any social media platform, does not constitute or imply its endorsement of the site. Nor does IMLS endorse any social media provider when embedding media from a third-party site. IMLS's presence on these sites enhances the public's ability to access information about our programs and services and IMLS's interaction with those interested in our work.

We do not use third-party websites and applications to solicit and collect personally identifiable information ("PII") from individuals, and we do not transmit or store any PII collected by third-party websites and applications. Unless required for law enforcement purposes or by statute, no PII will be disclosed, sold, or transferred to any entity outside IMLS without authorized consent.

### External Links

We provide links from our Websites to external websites because they provide information that may interest our users. This is provided as a convenience only. External links do not constitute an endorsement or approval by IMLS of the information, opinions, products, or services presented on the external website, or of any websites linked to it.

We do not guarantee that external websites comply with the requirements of Section 508 (Accessibility Requirements) of the Rehabilitation Act. We are not responsible for the legality or accuracy of information on externally-linked websites or for any costs incurred while using such websites. We cannot authorize the use of copyrighted materials in externally-linked websites and are not responsible for transmissions you may receive from such websites.

Once you link to an external website, you are subject to the privacy policy and terms of use of that website. We encourage you to read the privacy policies of any website you link to from ours, especially if you share any personal information. Be informed. You are the person best qualified to protect your own privacy.

External links on our websites are intended to support IMLS's mission. They are not intended to support private or commercial organizations or businesses. Links to .org, .gov, .edu, .mil or other non-profit websites that share interests inherent to IMLS's mission are encouraged because of their general non-commercial, public-interest nature. Links to .com, .net, and other commercial domains are acceptable if supportive of users' needs and relevant to IMLS's mission.

We reserve the right to review links and add or remove links at any time for any reason consistent with Federal policy or IMLS guidelines. Links to external websites may be removed if the websites lobby or solicit the Federal government on positions of fiscal or political nature, or if they receive funds or revenue for volume of traffic delivered from IMLS to the external site where the site is not an official partner of IMLS. Except for partnerships, IMLS does not agree to reciprocal link arrangements.

### Use of Plug-ins

The first time that you use an area of our Websites that requires software such as "Flash," you may see an invitation to go to the software manufacturer's website so you may download software or plug-in needed to

view the animation on our website. This prompt occurs because a script can tell whether your browser has the needed capabilities provided by these plug-ins. We do not use "cookies" to do this, nor do we read anything on your computer other than your browser's capabilities. We do not endorse or guarantee anything about the product that you may download from a manufacturer's website. If you choose to visit the manufacturer's website to obtain the plug-in, please carefully review their policies for details about personal privacy and use of its software.

### Copyright

Generally, content produced by Federal agencies such as IMLS are in the public domain and may be reproduced without permission. However, not all content appearing on IMLS Websites are in the public domain.

Images, text, recordings, multimedia content, and other materials on IMLS Websites may be protected by copyright laws and other restrictions and are provided with the permission of the intellectual property rights holder(s) for noncommercial uses and purposes consistent with IMLS's mission. It is your responsibility to identify the intellectual property rights holder(s) and to receive their prior written permission before making use of protected content for any purpose other than fair use as defined by copyright law. We expressly prohibit the unauthorized copying or exploitation of any protected content on our Websites, except for the purposes of fair use as defined in the copyright law.

If you have any more information about an item you have seen on our Websites or if you are the copyright owner and believe our Websites have not properly attributed your work to you or have used it without permission, we want to hear from you. Please contact [OGC@imls.gov](mailto:OGC@imls.gov) with your contact information and a link to the relevant content.

### Security

For site security purposes and to ensure that IMLS website service remains available to all users, this Government computer system employs software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage. Anyone using this system expressly consents to such monitoring and is advised that if such monitoring reveals evidence of possible abuse or criminal activity, such evidence may be provided to appropriate law enforcement officials. Unauthorized attempts to upload or change information are strictly prohibited and may be punishable by law, including the Computer Fraud and Abuse Act of 1986 and the National Information Infrastructure Protection Act of 1996.

#### Welcome to the IMLS Open Government Webpage

The resources on this page are intended to help make the agency's work more transparent to the public, while also making possible the public's participation in the work of IMLS. This effort is part of a government-wide initiative to promote openness in the work of federal agencies. For detailed information about the initiative, visit the [White House Web site](#) or see the [Open Government Directive](#) (PDF, 81KB), issued by the Office of Management and Budget on December 8, 2009.

Please continue to check this page, or [subscribe to the IMLS RSS Feed](#), to see what new resources have been added.

**Available now: The IMLS Data Catalog!**

[Our new Data Catalog](#) puts IMLS data—comprising agency data such as grants administration and data about museums, libraries, and related organizations—at the fingertips of researchers, developers, and interested members of the public who want to dig deeper. [Read more.](#)

#### Datasets on Data.gov

IMLS has made the following datasets [available on Data.gov](#):

##### [Public Libraries Survey](#)

This dataset is a national census of public library systems. Its data elements cover library service measures such as the number of uses of electronic resources, the number of Internet terminals available to the general public, reference transactions, interlibrary loans, circulation, library visits, children's program attendance, and circulation of children's materials. It also includes information on collection sizes, staffing, operating revenue and expenditures. Selected data elements are aggregated and summarized at the state level.

##### [State Library Agency Survey](#)

This dataset is a national census of state library agencies. A state library agency is the official agency of a state that is charged by state law with the extension and development of public library services throughout the state and that has adequate authority under state law to administer state plans in accordance with the provisions of the Library Services and Technology Act (LSTA). Beyond these two roles, state library agencies vary greatly. This dataset provides information on the range of roles played by state library agencies and the various combinations of fiscal, human, and informational resources invested in such work.

We plan on posting additional high-value datasets on Data.gov and on this page. Please check back.

### IMLS Website Accessibility

#### Accessibility Statement

The Institute of Museum and Library Services (IMLS) is committed to making its electronic and information technologies accessible to individuals with disabilities by meeting or exceeding the requirements of Section 508 of the Rehabilitation Act (29 U.S.C. 794d), as amended in 1998. Section 508 is a federal law that requires agencies to provide individuals with disabilities equal access to electronic information and data comparable to those who do not have disabilities, unless an undue burden would be imposed on the agency. The Section 508 standards are the technical requirements and criteria that are used to measure conformance within this law. More information on Section 508 and the technical standards can be found at [www.section508.gov](http://www.section508.gov).

#### Report an Accessibility Problem

If you would like to report an accessibility problem with the IMLS website, please use our [Contact Us form](#) to submit the issue. Be sure to select "Website – accessibility" under "Concerning," and be sure to also specify the web page or file being referenced in reporting the accessibility issue.

#### Section 508/Accessibility

In 1998, Congress amended the Rehabilitation Act to require federal agencies to make their electronic and information technology accessible to people with disabilities. Inaccessible technology interferes with an individual's ability to obtain and use information quickly and easily. Section 508 was enacted to eliminate barriers in information technology, to make available new opportunities for people with disabilities, and to encourage development of technologies that will help achieve these goals. The law applies to all Federal agencies when they develop, procure, maintain, or use electronic and information technology. Under Section 508 (29 USC 794d), agencies must give disabled employees and members of the public access to information that is comparable to the access available to others.

#### Assistance with Accessing IMLS Information

Section 508 (29 U.S.C. § 794d) requires that IMLS, as a federal agency, provide electronic and information technology products that are accessible to people with disabilities. Under Section 508, the IMLS and other federal agencies must give disabled employees and members of the public access to this technology that is comparable to the access available to others. The law applies to all Federal agencies when they develop, procure, maintain, or use electronic and information technology.

IMLS is committed to providing resources that are accessible to people of all abilities. If you find that any of our information products, including what you see on this site, are not in compliance with Section 508, please contact us by e-mail to [webmaster@imls.gov](mailto:webmaster@imls.gov) or phone at 202-653-4757.
