How to Set Up an eGMS Reach Account

Introduction

eGMS Reach is used by awardees to manage their awards and by reviewers who participate in peer review panels. Each such user will receive an email to initiate the process of creating an eGMS Reach account.

Setting Up an eGMS Reach Account

1. You will receive an email from IMLS-Reach@imls.gov, and it will provide you with an eGMS Reach account user name. Click on the link to set up your account.

Dear Test User,

Access to a panel or award has been granted to you in eGMS Reach, the system for application review and award management used by the Institute of Museum and Library Services. If you manage multiple awards, you will receive additional notifications as access to each is granted.

Your user name is TUser.

Please go to eGMS Reach at https://grants.imls.gov/Reach/ to sign in. If you are new to eGMS Reach, click the Need help? link to create a password.

If you have encountered issues while creating your login, contact Reach-HelpDesk@imls.gov for assistance.
