Working Lunch
Topical Communities of Practice and Evidence

Working Lunch Discussion

- Programming common to many states:
    - STEM
    - Early literacy
    - Learning spaces
    - Summer reading
    - Library workforce
    - Digital skills for the public
    - Library for the Blind and Physically Handicapped
- Questions:
    - For the areas above, what does ideal evidence look like?
    - What are the barriers to collecting ideal evidence?
    - What tools (surveys, social media, etc.) are you currently using?
